AGENDA

PART I (PUBLIC MEETING)

9. GROWTH AND ASSETS FULL BUSINESS CASE (Pages 1 - 2)

The Strategic Director for People will submit a report seeking approval of the Growth and Assets full business case which will propose that by accelerating commercial and housing developments, an increase of income can be achieved which will benefit the City Council.

By working co-operatively and proactively with partners, developers, stakeholders and citizens, the project will identify a pipeline consisting of potential future housing and commercial developments including bringing empty homes back into use and delivering affordable homes that could be completed within the next three years, helping to deliver our Growth Assets and Municipal Enterprise (GAME) financial targets. In addition the Project will increase the desire, offer and availability of housing and more employment opportunities across the city for the benefits of residents, whilst at the same time helping to alleviate long-term benefit dependency.
