(Pages I - 2)

CITY COUNCIL: 23 MARCH 2015

Barbican Cumulative Impact Policy

Following the approval of the Statement of Licensing Policy, Kelechi Nnoaham (Director of Public Health) submitted a report on the outcome of a consultation exercise which had been undertaken on a proposal to extend the area covered by the current Barbican Cumulative Impact Policy.

The report included the results of the consultation exercise, the police submission and crime data and the proposed boundary of the Barbican Cumulative Impact Policy.

Councillor Vincent (Cabinet Member for Environment) introduced the proposals.

Andy Netherton (Service Manager, Public Protection) attended the meeting for this item.

Councillor McDonald (Cabinet Member for Children, Young People and Public Health) and Councillor Tuffin (Cabinet Member for Health and Adult Social Care) also reported and indicated that the proposals had to be considered having regard to the needs of residents and the needs of life of the Barbican and businesses.

Cabinet was advised that only one representation about the proposals had been received, as detailed in the report.

Alternative options considered and reasons for the decision -

As set out in the report.

<u>The City Council is Recommended</u> to amend the Statement of Licensing Policy to include an extended Barbican Cumulative Impact Area as outlined in the map contained in Appendix 3 to the Cabinet report.

PLYMOUTH CITY CENTRE COMPANY BUSINESS IMPROVEMENT DISTRICT

WORKING PLYMOUTH SCRUTINY PANEL RECOMMENDATION

<u>MINUTE 40</u>

Stefan Krause (City Centre Manager) Patrick Knight (Economy and Employment Manager), David Draffan (Assistant Director for Economic Development) and Councillor Tudor Evans (Leader of the Council) provided Members with an update on the Plymouth City Centre Company Business Improvement District Ballot.

Members were advised that -

- (a) a report was submitted to the 9 December 2014 Cabinet meeting regarding the renewal of Plymouth City Centre's Business Improvement District detailing the significant achievements of the city centre since the establishment of the BID in 2005;
- (b) the legislative framework for business improvement districts contained a provision enabling the local authority to veto the bid proposals;
- (c) Doug Fletcher, the Chair of the Board, and Officers had been working extremely hard to continue the ongoing success of the bid specifically during a time of difficult budgetary pressures;
- (d) in total 612 ballot papers were issued and 249 ballots received resulting in a 40.8% turnout this was reflective of the national average. 175 votes were in favour of the BID with a percentage of 70.2%.

In response to questions raised it was reported that -

- (e) the City Centre BID was undertaken as a secret ballot therefore a breakdown of the number of votes from smaller retailers in comparison to larger retailers was not available;
- (f) the costs in developing the bid proposals and hosting a ballot was approximately $\pm 100,000$ if taking the national average, however the Plymouth City Centre ballot had been managed within a much smaller budget of $\pm 40,000$ including in-kind staffing costs and printing;
- (g) changes had taken place with regards to the governance structure of the Plymouth City Centre Company including both the strategic and operational boards as well as the financial structure and focus of the company's projects. The promotion of the city centre and West End was a priority for the PCCC and this was strongly reflected in the business case to ensure the future resilience of Plymouth's city centre;
- (h) the extension of the geographical City Centre BID area to include Bretonside had been formally agreed; consultation had taken place and this area of the city was fully inclusive in the city centre business improvement district.

The Chair congratulated the Leader and officers in attendance on behalf of the Working Plymouth scrutiny panel and highlighted the positive affect the result of the ballot would have upon the city centre.

The panel, having considered the report and advice of officers, unanimously supports the City Centre Business Improvement District proposals and recommends to the City Council that the power of veto, as per Regulation 12 of the Business Improvement District (England) Regulations 2004, is not exercised.

CITY COUNCIL 3 MARCH 2015

MOTION ON NOTICE

EUROPEAN REFERENDUM

In light of growing support for the devolution of powers to local authorities and the European drive to take powers away from local authorities, this Council welcomes the pledge by David Cameron who, if re-elected as Prime Minister in May, has stated that he will hold a referendum on our country's future in Europe.

Proposed by Councillor Nigel Churchill

Seconded by Councillor Richard Ball

Dated 16 March 2015

CITY COUNCIL 23 MARCH 2015

MOTION ON NOTICE

MEMBERS OF PARLIAMENT

Plymouth City Council believes that Members of Parliament should be full time MPs and not hold second jobs outside their work as MPs.

Councils like Plymouth need the best possible access to its MPs in order to campaign for and on behalf of local residents and the City.

Council resolves to support the public's call to ban MPs from holding second jobs, including paid directorships and consultancies outside Parliament.

Proposed by Councillor Bill Stevens

Seconded by Councillor Tudor Evans
