Corporate Plan - Performance Report Q2 2015 25<sup>th</sup> November 2015 Chief Executive's Office

#### Introduction

The Corporate Plan was first established in July 2013 as a 4 year plan to drive the city's ambition to become a Brilliant Co-operative Council. The plan sets out the Council's values, objectives and outcomes that will deliver the required changes and is used as a key tool to help prioritise, manage and improve service delivery. The plan provides the framework for:

- the most important things the council does
- what the council wants to achieve
- how and what services are delivered
- the way the council operates

#### Performance monitoring

Key actions and milestones combined with performance indicators help to drive, support, monitor and track our progress. The plan has been refreshed on an annual basis to ensure that it remains relevant and reflective of priorities and achievements over time. The last review was completed in the summer of 2015.

#### **Allocated Key Actions**
