I don't think a Hearing will be unnecessary and I am happy to reassure of any concerns regarding the Premises License.

I will be attending the Hearing and not be represented by anyone.

The Representations i wish to make are;

CCTV has now been installed in the Cafe & Courtyard Area. To help against Crime Prevention. As Instructed by the Police.

A Decibel Meter to be on site and to be used in the Courtyard area as to make sure Noise doesn't reach unreasonable levels for Local Residents.

We have had events in the past but would like to reassure local councillors/Residents this is not what we have applied for the license for.

We would like to Run it as a Restaurant with the option for customers to buy alcoholic beverages with food, as a way to help give local residents a nice place to eat and Drink and it will not be a Bar or place for binge drinking. As agreed with the Police the courtyard will have a cut off time of 10pm as to keep any noise disturbances to a minimum

Kind Regards,

Matthew Carter
