Members are advised that the Hamoaze House Emergency Night Shelter Operational Management Plan Version 4: 09.05.2024 referred to in the report and in draft planning condition 2 has been amended, principally to include an appendix that contains an Occupancy Agreement that users of the night shelter are required to sign up to. This replaces the Licence Agreement contained within the original Plan, which was not specific to the night shelter accommodation at Hamoaze House. The Appendix also includes a walking map referred to in the Plan.

Members are also advised that the Management Plan can, where appropriate, be updated in accordance with draft condition 2.
