MOTIONS ON NOTICE

13. FURTHER MOTIONS ON NOTICE, IF ANY. (Pages 1 - 6)

To consider motions from Members in accordance with paragraph 13 of the Constitution.

PLYMOUTH CITY COUNCIL

1 FEBRUARY 2010

MOTION ON NOTICE NO 6 09/10

Members' Allowance Scheme

Members' basic and special responsibility allowances are adjusted annually (by the same percentage as the local government pay award). This takes effect from 1 April each year.

In view of the current economic climate and the need to ensure that the council gives value for money, we believe that councillors should show restraint and set an example as leading members of our local communities.

We therefore recommend that all members' allowances are kept at the existing level for the 2010/2011 financial year.

Proposed by Councillor Mrs Pengelly

West End Scheme: Highway and pavement works

Plymouth City Council notes the controversy surrounding the changes arising from the 'Awakening the West End' scheme to the highway and pavements in New George Street, Market Way and Cornwall Street.

In light of the accidents reported, and lack of consultation, the issue is referred to the appropriate body for urgent consideration to formulate a programme of affordable remedial action.
