(Pages 1 - 2)

Bob Coomber, Interim Chief Executive, will submit a written report on the revised Corporate Plan 2012-15 which takes account of the objectives of the new administration of the Council, including becoming a Co-operative Council and a more open and transparent organisation and provides an outline of the revised Medium Term Financial Strategy.

The Overview and Scrutiny Management Board scrutinised the revised plan on 3 July 2012 and the scrutiny recommendations will be circulated in due course. Councillor Mrs Aspinall, Chair of the Overview and Management Board has been invited to attend the meeting to present the scrutiny recommendations.

CABINET 12 JULY 2012**Revised Corporate Plan 2012-2015
Recommendations of the Overview and Scrutiny Management Board of 3
July 2012**

1. That the progress of the task force for jobs is subject to a six month evaluation by the Growth and Prosperity Overview and Scrutiny Panel.
2. That the Council produces an action plan for increased voter registration, including joint work with the University, other higher education institutions and with schools.
3. That the Cabinet seek and publish partners' agreed approaches to the Co-operative Council ethos, including those of service delivery partners, such as Amey.
4. That Cabinet provide clarity about how the city will balance the needs of the night time economy against the health impacts of alcohol misuse.
5. That Cabinet agree with the Overview and Scrutiny Management Board a brief for its input into the development of the city's Child Poverty Strategy.
6. That within six months child poverty in Plymouth will be defined by Cabinet, following appropriate consultation, including referral to the Children's Trust Board and brought to Council. This will allow measures to be taken that will record the incidence of Child Poverty.
7. That the Cabinet provide clarity that the Older People's Charter is a cross service, rather than a social care initiative.
8. That stronger impetus is given to the energy supply company initiative, to provide the earliest possible relief to those in fuel poverty.
9. That, in the spirit of open government, Cabinet revisit the earlier recommendation of this Board, to bring forward proposals as to how as yet unfunded capital investment priorities can be considered in a transparent way prior to funding becoming available.
10. Cabinet is asked to demonstrate that plans are in place to ensure a smooth and seamless transition for vulnerable children to adulthood.
