	15 March 2026 Licensing Officer Plymouth City Council [Licensing Department Address] Plymouth PL1 3BJ Re: Opposition to Premises Licence – Montana Bar, 5-6 Quay Road, Plymouth

Please explain the likely effect the granting of the application would have on the promotion of the above Licensing Objectives:	Application No: [Insert Application Number Here] Dear Licensing Authority, I am writing to lodge a formal objection to the premises licence application for Montana Bar at 5-6 Quay Road, Plymouth, as the owner of Flat Quay Road, PL1 2JZ. Grounds for objection: Noise nuisance and disturbance to residents: The residential flats above the proposed premises are directly above the licensed area. The amplified music, entertainment events, late-night activity, and patron noise of the proposed licensed business Montana Bar will cause substantial disturbance to residents living in Flat and other 4 flats above the proposed bar, particularly during evening and night hours. Impact on health and well-being: Ongoing excessive noise can affect sleep quality, stress levels, and overall well-being of residents, which may amount to an unacceptable nuisance under prevailing licensing objectives. Safeguarding and amenity: The presence of residential units directly above a drinking establishment raises concerns about safety, disturbance from refuse / waste handling, and late-night comings-and-goings, which could negatively affect the enjoyment of the adjoining dwellings. Proximity and cumulative impact: The close proximity of the proposed licensed premises to residential accommodation heightens the potential for cumulative nuisance, especially if the hours requested include late-night trading. While we are strongly opposed to granting of the Premises Licence – Montana Bar, 5-6 Quay Road, we would like to also to propose counter-conditions to mitigate nuisance should the licence be granted: No music after 20:00 hours: If the licence is granted, there shall be no live or recorded music, or entertainment events, after 20:00 hours on any day. Sound attenuation measures: Implement robust soundproofing and effective sound limiting devices (SLD to cap music and event noise to levels that are inaudible or barely audible inside Flat , during permitted hours. Restricted hours: Limit trading to Core Hours that minimize late-night disturbance, with a clear end time no later than 20:00 hours if music is to be permitted at all, and otherwise earlier hours as appropriate. Noise management plan: Require a comprehensive noise management plan, including:

	A designated point-of-contact for residents to report disturbances. A schedule for live/recorded music and any entertainment events. Monitoring and recording of noise levels, with escalation procedures. Food and waste management: Ensure secure rubbish collection times and containment to prevent nuisance from refuse and spillages. Management presence: Mandate a licensed premises supervisor or designated responsible person during all hours of operation, with a clear procedure for dealing with disturbances. Incident log: Maintain an incident log for noise complaints and outcomes, available for inspection by the Licensing Authority upon request. Ventilation and smell controls: Adequate ventilation to prevent smoke and odour nuisance for nearby residents. Patron dispersal policy: A controlled and orderly dispersal plan to minimize congestion and disturbance to neighbors. Plan for disruptive events: Agreement to limit or suspend events that generate high noise levels if complaints arise. Conclusion: Granting a Premises Licence for Montana Bar, under the stated conditions, risks substantial disruption to the residents of Flat , and other residential accommodations at 5-6 Quay Road, PL1 2JZ. I urge the Licensing Authority to consider the above concerns seriously and either refuse the application or impose strict conditions that prioritise residents' amenity and reasonable enjoyment of their homes. Please acknowledge receipt of this objection and confirm the scheduling of a licensing hearing or decision date. Yours sincerely,
