30. **LICENSED PRIVATE HIRE DRIVER REVIEW OF LICENCE STATUS - M KOHAJDA**

The committee having –

- (a) considered the report of the Director for Community Services;
- (b) heard from Mr Kohajda;
- (c) heard details of Mr Kohajda's motoring convictions;
- (d) taken into account –
  - the two speeding offences that were committed while Mr Kohajda was not working in his capacity as a Private Hire driver and he had now left his other job, in order to concentrate on becoming a better taxi driver;
- (e) Members were concerned that –
  - two of the motoring offences were committed during the probationary first year of Mr Kohajda being granted a Private Hire driver's licence;

- Mr Kohajda had accumulated 11 points in less than two years of working as a Private Hire driver;
- none of the fixed penalties or convictions were declared to the Licensing Department as required by the conditions of Mr Kohajda's Private Hire Driver's licence.

It was Agreed that -

Mr Kohajda's conviction and fixed penalty fines all related to motoring offences and had been acquired since the commencement of his employment as a Private Hire Driver.

The offences showed a disregard for the rules of the road. Members were concerned that this reflected Mr Kohajda's attitude towards public safety and therefore require Mr Kohajda to complete the level 2 VRQ in transporting passengers by taxi and private hire or equivalent qualification within 12 months in respect of those offences.

Not reporting the convictions indicated a disregard for the conditions of Mr Kohajda's licence and in respect of these breaches, Members considered it to be reasonable and proportionate to suspend your licence for two days.

If the qualification is not completed within the required period Mr Kohajda will be brought back before the committee at that time.

### 31. **LICENSED PRIVATE HIRE DRIVER REVIEW OF LICENCE STATUS - I BANCIU**

The committee having –

- (a) considered the report of the Director for Corporate Support;
- (b) heard from Mr Banciu;
- (c) heard details of Mr Banciu motoring convictions;
- (d) taken into account that -
  - since Mr Banciu received the two convictions, he had achieved a Level 2 Btec in Transporting Passengers by Taxi and Private Hire, which he took under his own volition;
  - no further offences had been committed since May 2009;
  - Mr Banciu stated that he was not fully aware of the conditions attached to his Private Hire Drivers Licence.
- (e) Members were concerned that –

- the first offence of using a mobile telephone whilst driving a motor vehicle was committed within 12 months of Mr Banciu being licensed as a Private Hire driver;
- Mr Banciu had accumulated nine points in less than two years of working as a Private Hire driver;
- none of these fixed penalties or convictions were declared to the Licensing Department as required by the conditions of his Private Hire driver's licence;
- as a Private Hire driver licensed by Plymouth City Council he should be fully aware of all the conditions attached to his licence.

It was therefore Agreed that -

Mr Banciu's conviction and fixed penalty fines related to the motoring offences and had been acquired since the commencement of his employment as a Private Hire driver.

The offences showed a disregard for the rules of the road and Members were concerned that this reflected his attitude towards public safety. Therefore Mr Banciu's Private Hire Driver's licence would be suspended for one day in respect of these motoring offences under the powers contained within the Plymouth City Council Act 1975...

Not reporting the convictions indicated a disregard for the conditions of Mr Banciu's Private Hire Drivers Licence and in respect of these breaches, Members considered it reasonable and proportionate to suspend Mr Banciu's licence for a period of 5 days.

Mr Banciu's private hire driver's licence would therefore be suspended for a total of 6 days in respect of the motoring offences and breach of conditions.
