1.0 INTRODUCTION

- 1.1 On the 2 January 2013, the licensing department received an application from Mrs Carole Reynolds for the renewal of a sexual establishment licence made under Schedule 3 of the Local Government (Miscellaneous Provisions) Act 1982 (the Act), in respect of the premises known as Slinkies, 16 Manor Street , Plymouth.
- 1.2 Council resolved to adopt Schedule 3 of the Act on the 30 January 2012, to be effective from the 5 March 2012. Council also resolved to adopt a Sex Establishment Licensing Policy (the Policy) to provide a framework within which all applications and other decision-making will be considered.

2.0 THE APPLICATION

- 2.1 The premises are known as Slinkies and are situated at 16 Manor Street, Plymouth. The location of the premises is shown on the attached plan (Appendix 1).
- 2.2 The application is to renew a Sex Establishment Licence (Sex Shop) under Schedule 3 of the Act.
- 2.3 The application was advertised in the Western Evening Herald on 2 January 2013 and by way of public notice at the premises for a period of 21 days as required by the Act.
- 2.4 The current conditions attached to the licence are attached at Appendix 2.
- 2.4 The premises is located off Union St, an area governed by a quantity limit statement as defined in the policy which is a factor that should be considered when determining this application. The Policy states:

‘The Act allows the Council to determine a number of sex establishments in a specific locality. This can include determining that the appropriate number is nil. The Council considers that there is an over-riding public interest to justify quantity limits for the areas known as Union St and the City Centre to avoid an excessive build up of sex establishments, thereby undermining the character and nature of the designated areas.

Whilst applications will be determined based on their individual merits there will be a presumption against granting additional licenses in areas where the number considered appropriate for that locality have already been granted.

The Council will not take account of commercial need. This is a matter for market forces and may be a relevant consideration for planning applications. The existence or absence of suitable planning approval is not a relevant consideration for the Council, but is a matter for the applicant.

For each of the following areas the number of sex establishments considered as appropriate is;

Location	No of Sex Shops/Cinemas	No of Sexual Entertainment Venues
Union Street	1	2
City Centre	1	Nil

For all other localities the appropriate number will be nil.

This is the only licensed sex shop currently located in the Union Street area.

- 2.5 When determining a licence application, the local authority must have regard to any rights the applicant may have under Article 10 (right to freedom of expression) and Article 1, Protocol 1 (protection of property) of the European Convention of Human Rights.

3.0 REPRESENTATIONS

- 3.1 One letter of objection has been received to this application within the 28 day consultation period. (Appendix 3)

4.0 CONSIDERATIONS

- 4.1 This licensed sex establishment has been in operation since 2004 with no previous objections or complaints made against the business. Since the original application and grant of the licence the nature of the locality has changed, including the introduction of the home zone and children's activity groups nearby.

Since the last renewal in 2012 there is a proposal for a school launching in September 2013 with 150 pupils. At this times Years 1 & 2 pupils will be temporarily housed in the Cargo Building, Phoenix Street, extending in so that by September 2014 there will be a purpose built school with 420 Primary pupils and 600 Secondary pupils. The site plan at Appendix 1 shows the proposed site of the school and the Cargo Building. Given the changes to the locality, officers believe that if granted external appearance should be changed to minimise its visual impact. Photographs have been taken recently at intervals during the day and night and are attached marked Appendix 4. Members will note that the applicant has taken steps which he believes will reduce the external impact of the façade by removing the lights and awnings. This is reflected in the photos taken at night.

- 4.2 The Committee must have regard to the Council's Sex Establishments Licensing Policy in its decision-making. In particular the following licensing objectives will be taken into account when determining an application and any conditions attached will be necessary and designed to achieve these licensing objectives
- Prevention of crime and disorder
 - Protection of safety, health and public decency
 - Prevention of nuisance
 - Protection from children from harm
 - Protecting the nature, amenity and character of a neighbourhood
- 4.3 Members should be aware that Licensing Committee resolved to adopt a pool of licensing conditions that provides applicants, responsible authorities and Members with a resource from which conditions can be attached to a licence granted under Schedule 3 of the Act. This pool of conditions is not exhaustive and may be altered, amended or varied depending on the individual circumstances of each particular application, the relevant part are attached marked Appendix 5.
- 4.4 Following receipt of two letters of objection to last years renewal application, Members, after careful consideration resolved to grant the application subject to a special condition being place on the licence that stated that 'the signage at the premises should only display the business name and no reference to licensed adult shop or other description of products sold are to be included in the signage'. The applicant complied

with this condition

- 4.5 Paragraph 12 of Schedule 3 of the Act sets out the grounds for refusing an application for the grant, renewal or transfer of a licence.

Mandatory grounds for refusal:

A licence **must** not be granted:

- (a) to a person under the age of 18;
- (b) to a person who is for the time being disqualified due to the person having had a previous licence revoked in the area of the appropriate authority within the last 12 months;
- (c) to a person, other than a body corporate, who is not resident in an EEA State or was not so resident throughout the period of six months immediately preceding the date when the application was made; or
- (d) to a body corporate which is not incorporated in an EEA State: or
- (e) to a person who has, within a period of 12 months immediately preceding the date when the application was made, been refused the grant or renewal of a licence for the premises, vehicle, vessel or stall in respect of which the application is made, unless the refusal has been reversed on appeal.

None of the above applies to the licence applied for.

Discretionary grounds for refusal:

A licence **may be refused** where:

- (a) the applicant is unsuitable to hold the licence by reason of having been convicted of an offence or for any other reason;
- (b) if the licence were to be granted, renewed or transferred the business to which it relates would be managed by or carried on for the benefit of a person, other than the applicant, who would be refused the grant, renewal or transfer of such a licence if he made the application himself;
- (c) the number of sex establishments, or of sex establishments of a similar kind, in the relevant locality at the time the application is determined is equal to or exceeds the number which the authority consider is appropriate for that locality;
- (d) that the grant or renewal of the licence would be inappropriate, having regard;
 - (1) to the character of the relevant locality; or
 - (2) to the use to which any premises in the vicinity are put; or
 - (3) to the layout, character or condition of the premises, vehicle, vessel or stall in respect of which the application is made

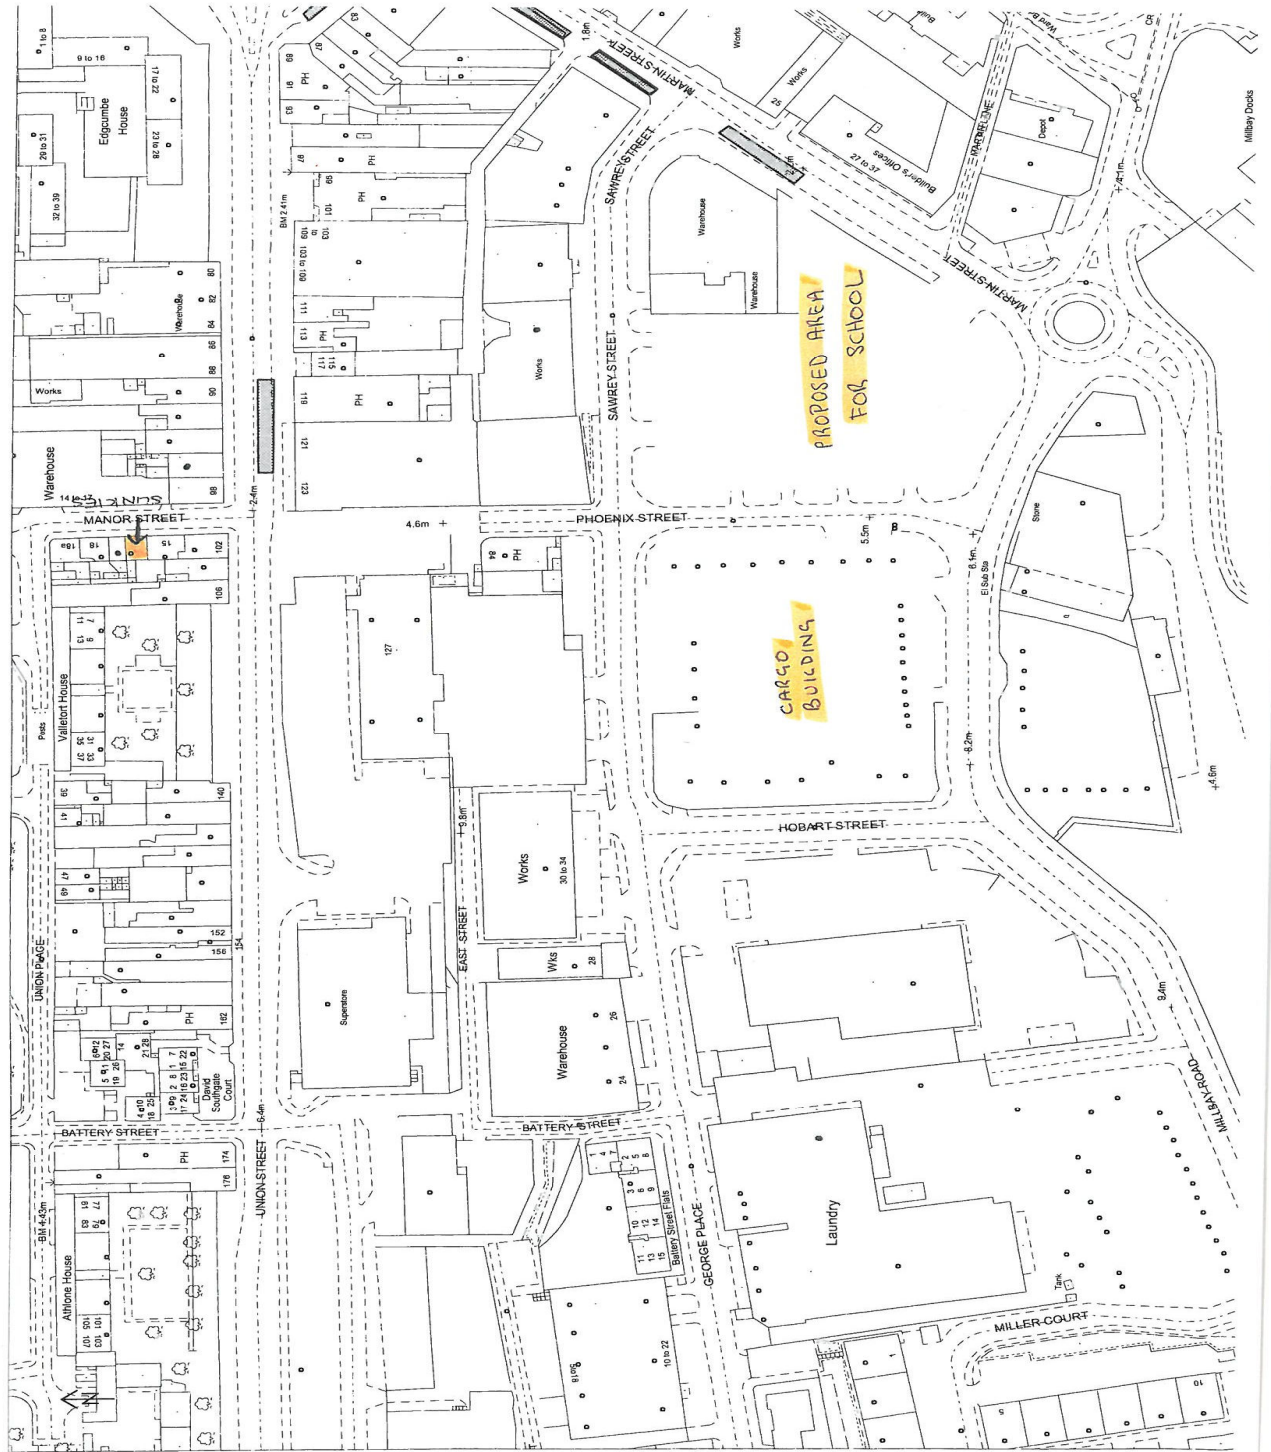

A decision to refuse a licence must be relevant to one or more of the above grounds.

- 4.6 The Provision of Services Regulations 2009 amended Schedule 3 to the Act to state that, if having considered an application for the grant, renewal or transfer of a licence, the appropriate authority decides to refuse it on one or more of the above grounds, it must provide the applicant with reasons for the decision in writing.

4.7 Having considered the application and representations, the Sub-Committee may;

- Grant a licence in accordance with the application
- Grant a licence subject to additional and/or varied conditions
- Reject the application.

Re: application to renew a licence for a sex shop

Dear Sir or Madam

I am writing in my capacity as Director of the Plymouth School of Creative Arts Trust to object to the renewal of the above licence. Plymouth School of Creative Arts is a 4-16 all-through mainstream Free School sponsored by Plymouth College of Art launching in September 2013. On 9 January 2013, we signalled our intention, with the support of Plymouth City Council, English Cities Fund and Kier, to locate in Millbay, subject to planning and final government approval on funding. The planning application for the school will be submitted in the spring.

We intend to launch in September 2013 with 150 pupils in the Cargo building, Phoenix Street, PL1 3DG with an intake of Reception, Year 1 and Year 2. In September 2014 we aim to move into a brand new campus between Phoenix Street and Martin Street. At that point the Secondary school will take 240 Year 7 and 8 pupils and a further 90 pupils into the Primary years. Within 5 years the school will be full with 420 Primary pupils and 600 Secondary pupils.

With the introduction of a 1020 pupil school to the area we believe that the activities that were once considered appropriate on Union Street need to be re-examined. The Council's Sex Establishment Licensing Policy clearly states on page 10 that:

'(c) Premises that were previously granted a licence cannot automatically expect re-issue where, for example, the medium and long term aspirations for the locality have changed and the continuation of that licensed premises would undermine the revised aspirations of that locality and as a consequence re-issue would not be justified.'

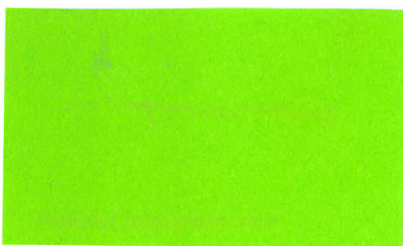

The proposed location of the school is under 400 ft from the applicant's shop, directly across Union Street and a likely route into the school for local families living north of Union Street. Page 7 of the Council's Sex Establishment Licencing Policy outlines the Relevant Locality Statement highlighting the appropriateness of having a sex establishment with a school in the vicinity, in particular if it's 'on the way to the' school:

'A licence can be refused if either, at the time the application is determined the number of sex establishments, or sex establishments of a particular kind, in the relevant locality is equal to or exceeds the number that the Council considers appropriate for that locality; or that a sex establishment would be inappropriate having regard to the character of the relevant locality, the use of any premises in the vicinity or the layout, character or condition of the premises. Nil may be the appropriate number.'

'Material decisions that might be relevant to a local community could include a licensed premises that is 'on the way to the' local shops, school or places of worship.'

In view of this we are concerned about the protection of children from harm in travelling to and from the school and the impact on safeguarding of attracting customers to the Union Street area. Should the Council consider it appropriate to reissue the licence we would be happy to work with you on mitigation including reviewing the opening hours and signage, in line with the Policy's aims in *Prevention of Nuisance and Protection of Children from Harm*.

Yours sincerely

Director, Plymouth School of Creative Arts Trust
