Public Protection Service Manager  
Plymouth City Council  
Plymouth

Dear Sir/Madam

The Stable, The Stable Bar and Restaurant Limited Little Vauxhall Quay, Plymouth, PL4 0DB

**OBJECTION - Protection from Public Nuisance**

I write to object to the proposed licensing hours for the above mentioned premises.

I refer you to both the Public Protection report and my Letter of Representation dated 21st December 2014 (copy attached) submitted in response to Planning Application 14/02234/FUL (The Stable). These documents are self-explanatory.

In addition, I refer you to the Public Protection report dated 20th September 2012 in respect of Planning Application 12/01512/FUL (1 Pinnacle Quay, Sutton Harbour) and the licensing conditions attached thereto.

I am sure you would agree that the residents of Vauxhall Quay are entitled to a similar level of protection from noise as those living in Pinnacle Quay?

Yours faithfully

Dear Sir/Madam

**OBSERVATION**

**Planning Application: 14/02234/FUL**  
**The Stable Bar and Restaurant Ltd, Little Vauxhall Quay, Sutton Harbour, Plymouth**

Alterations to the abovementioned property are regulated by the following documents:

- Sutton Harbour Area Action Plan 2006 – 2021
- Barbican Conservation Area Appraisal and Management Plan

I would draw your attention to the Environmental Noise Assessment prepared and submitted as part of the current Boardwalk proposal (Application Number: 14/02332/FUL). This report assessed the level of noise emanating from nighttime venues on Vauxhall Quay and Little Vauxhall Quay, including the property that is subject to this planning application.

The Environmental Noise Assessment report documents that noise (both music and voices) emanated and rose to excessive and unacceptable levels.

I reference planning application number 12/01512/FUL, 1 Pinnacle Quay, North East Quay, Sutton Harbour; specifically 'Hours of Use of External Areas' and 'Entertainment'.

In light of the evidence contained within the abovementioned Environmental Noise Assessment report, the current planning application provides an opportunity for Plymouth City Council to condition any approval with stringent noise regulations similar to those set out in application number 12/01512/FUL; namely 'Hours of Use of External Areas' and 'Entertainment'.

Yours faithfully
