A letter is to be sent to DPT advising him of the adjournment, that committee had originally been minded to deal with the matter in his absence due to its serious nature, that he is required to attend the next committee to answer members' questions, that attendance at committee will be his opportunity to explain the issues raised in the report, and that if he

does not attend the matter will be dealt with in his absence meaning that members will only be able to take account of the information provided in the report.
