Subject: Cornwall Gates Sports Bar

Good evening

I am making a representation against the premises license for Cornwall Gates Sports Bar.

The city council's website shows that representations are being taken until 28th October 2019.

This site is within a residential area surrounded by houses and families. It would be inappropriate for a Sports Bar in a residential area. The previous club was members only and had a smaller clientele. Despite this, there were still complaints to myself about, noise, disruption to parking (there is little available to residents let alone a Sports Bar and its patrons), and public order such as anti social behaviour from drinkers late at night after closing.

Many children live around the current site, and I have received complaints about inappropriate behaviour witnessed by them.

Families have complained their vehicles have been damaged by drinkers either damaging their cars by hand, or by collision when using vehicles possibly under the influence of alcohol.

This situation would be exacerbated further by an all comers Sports Bar.

Refusal of this license will ensure that we as a licensing authority have adequately prevented increased crime and disorder. Ensured public safety, the prevention of further nuisance, and shielded children from an increase of inappropriate behaviour in a residential area.

Yours

Darren

Dear Authority,

I would like to state in no uncertain terms that i do not approve of extending the licensing hours for the club.

We already suffer with late night revellers leaving and having loud chat for 10 minutes whilst they get in their cars, wait for taxis or stager home. They smoke outside, the smoke comes in our windows and with loud conversations and cackling laughter, can be very difficult for our young foster children to sleep.

The parking is also very difficult, with no consideration for the locals.

It is a residential area, and should not have extended hours to make these problems worse.

I have complained on numerous occasions in the past with no effect.

With respect
