Delegated Decisions

Delegated Executive/Officer Decisions

Delegated Executive and Officer decisions are published every Wednesday and are available at the following link - https://tinyurl.com/ms6umor

Cabinet decisions subject to call-in are published at the following link -http://tinyurl.com/yddrqll6

Notice of call-in for non-urgent decisions must be given to the Democratic Support Unit by 4.30pm on Wednesday 16 December 2020. Please note – urgent decisions and non-key Council Officer decisions cannot be called in. Copies of the decisions together with background reports are available for viewing as follows:

- on the Council's Intranet Site at https://modgov/mgDelegatedDecisions.aspx
- on the Council's website at https://tinyurl.com/jhnax4e

The decisions detailed below may be implemented on Thursday 17 December 2020 if they are not called-in.

Delegated Decisions

- I. The Leader Councillor Evans OBE
 - I.a PLC Life Cycle Maintenance and Improvement

(Pages I - 8)

EXECUTIVE DECISION

made by a Cabinet Member

REPORT OF ACTION TAKEN UNDER DELEGATED AUTHORITY BY AN INDIVIDUAL CABINET MEMBER

Executive Decision Reference Number - L26 20/21

Dec	ecision									
I	Title of decision: PLC life cycle maintenan	ce a	nd impr	ovement						
2	Decision maker (Cabinet member name and portfolio title):									
	Councillor Tudor Evans OBE, Leader of the Council									
3	Report author and contact details:									
	Giles Perritt, Assistant Chief Executive									
4	Decision to be taken:									
	To approve recommendations as set out in	n the	e attach	ed briefing report and as shown below:						
	 Allocate £1,500,000 for the project Cycle Maintenance Fund Reserve; 	wit	hin the	Capital Programme funded from the Life						
	with the Cabinet Member for Spor	t and tal p	d Leisur program	ic Director for People, in conjunction e in line with Council Standing Orders; me of £2,475,505 financed by Corporate in the attached briefing report.						
5	Reasons for decision:									
	To provide sufficient resources within the detailed in the attached briefing report with									
6	Alternative options considered and rejected:									
	Do nothing. Rejected for the reasons set out in the attached briefing report.									
	Fund through Service borrowing or revenuattached briefing report.	Fund through Service borrowing or revenue budget. Rejected for the reasons set out in the attached briefing report.								
7	7 Financial implications:									
	The financial implications for this approval	are	as set o	ut within the attached briefing report.						
8	Is the decision a Key Decision?	es	No	Per the Constitution, a key decision is one which:						

	(please contact <u>Democratic Supported</u> for further advice)	<u>rt</u>	X	in the case of capital projects and contract awards, results in a new commitment to spend and/or save in excess of £3 million in total			
			X	in the case of revenue projects when the decision involves entering into new commitments and/or making new savings in excess of £1 million			
			X	is significant in terms of its effect on communities living or working in an area comprising two or more wards in the area of the local authority.			
	If yes, date of publication of the notice in the Forward Plan of Key Decisions	N/A	N/A				
9	Please specify how this decision is linked to the Council's corporate plan/Plymouth Plan and/or the polic framework and/or the revenue/capital budget:	asse	et delivers a	nce and enhancement of this key city against both the Council's 'Growing City' buncil' objectives.			
10	Please specify any direct environmental implications of the decision (carbon impact)	PLC emis	Investment in low energy LED lighting throughout the PLC will reduce energy consumption and carbon emissions, supporting the Council's Climate Change Emergency objectives.				
Urge	ent decisions						
11	Is the decision urgent and to be implemented immediately in the interests of the Council or the public?	Yes		(If yes, please contact Democratic Support (democraticsupport@plymouth.gov.uk) for advice)			
	public:	No	X	(If no, go to section 13a)

CAPITAL INVESTMENT BUSINESS CASE

Plymouth Life Centre – Life Cycle Maintenance and Improvement

PURPOSE OF BUSINESS CASE

To request that £1,500,000 be added to the capital programme funded by the Plymouth Life Cycle (PLC) Maintenance Fund Reserve.

To approve the allocation of £2,475,505 to the capital programme, financed by Corporate Borrowing, to fund the enhancements outlined in this report.

BRIEF DESCRIPTION OF PROJECT

Plymouth Life Centre was designed and constructed by Balfour Beatty Construction Limited (BBCL) and opened in March 2012. Since its opening it has been managed by Sports & Leisure Management Ltd (SLM).

The leisure management contract was awarded for 10 years with an expiry date of March 2022. Responsibilities for the maintenance of the PLC, is a part repairing lease, with clearly defined areas of responsibility for SLM and PCC. PCC has responsibility for the replacement of end of life assets (life cycle).

BBCL are on site carrying out remedial works, with the programme currently on target for completion end of March 2021.

In addition to the remedial works being undertaken by BBCL, the Council has identified a number of enhancements that it would like to make to the building. In consultation with SLM, Arcadis, PLC stakeholder groups and Council Leisure Services Management, a schedule of enhancement works has been developed. BBCL have been asked to provide costs for the completion of these works and this paper sets out the main items of expenditure and the associated request for capital funds to undertake them.

The table below provides a summary of the enhancements:

Works Description	Covid Compliance	Health & Safety	Income Generation	Invest to Save	Carbon Neutral	Enhanced Customer Experience	Budget
Upgrade to ventilation and air conditioning systems for the whole building (ionisation filter system)	X	×					£535,805

project							
			То	tal Capital I	Requested		£2,475,505

^{*} Provisional sum as we are awaiting final design proposal and costs from WS Atkins and BBCL. It may not be feasible to complete these works within the programme schedule.

In terms of original funding to construct the PLC, PCC provided the majority of capital, alongside contributions from a number of partner agencies. One of those agencies was Sport England, which contributed £1.9m towards building costs.

The capital funding provided by Sport England had conditions attached to it. One of those conditions required PCC to create a Life Cycle Maintenance Fund (LCMF) for the PLC. As a result PCC set-aside £150k per annum to fund LCMF. There is now a total of £1.5m in the LCMF and it remains intact with no expenditure over the 9 years of the leisure management contract.

Sport England has retained £199k of grant funding whilst awaiting practical completion of the PLC. As a result of the ongoing issues with required work and negotiations with BBCL, practical completion has never been finalised and the remaining grant funding has not been drawn down. BBCL have agreed a specification to undertake full remedial works to the PLC and are currently on site. Following completion of the necessary remedial works, a completion certificate will be issued and this will enable the remaining grant funding to be accessed.

LCMF funds are held as distinct reserves and are ring-fenced, meaning they can only be used to fund appropriate life cycle costs at the PLC. Consequently, a separate cost code will be created to record any expenditure against the LCMF, as these are different from the enhancement works being undertaken by BBCL. This will provide a clear audit trail for the allocation and expenditure of the LCMF funding.

PCC has the opportunity to undertake a number of key life-cycle and enhancement works whilst the main contractor is on site and the facility is closed. Therefore, this paper is requesting that the LCMF be accessed to undertake appropriate end of life (life cycle works) during this period, in addition to further enhancement works funded by an additional capital programme allocation. The funds will be drawn down in accordance with the Council's standing orders, and will be informed by a condition survey and Pre-Planned Life Cycle Schedule.

ALTERNATIVE OPTIONS CONSIDERED AND REJECTED

Do nothing. Rejected as this is a key public building in which PCC has a significant investment. Remedial works are underway and this provides an appropriate opportunity to make enhancements to the PLC. A number of legitimate life-cycle requirements and enhancements have also been identified that could be funded through the LCMF budget.

Fund any necessary life-cycle requirements through revenue.

Rejected as this is unnecessary given that £1,500,000 of funding is ring-fenced in distinct reserves for this specific purpose. Revenue budgets are already under significant pressure.

KEY RISKS:

Funding for the life cycle maintenance is already held as ring fenced reserves. No new revenue or capital funding is requested with respect to life cycle maintenance works. Enhancement work carried out during the necessary closure of the PLC minimises the risk of further closure and resulting impact on revenue, and customers and stakeholders.

MILESTONES AND DATES:

Immediate drawdown.

FINANCIAL IMPLICATIONS

The Life Cycle Maintenance Reserve was created as a condition of funding provided by Sport England. The reserves are distinct and to be used only for the purposes of life cycle maintenance works at the site.

RECOMMENDATION

It is recommended that the Leader of the Council:

- Note the content of this business case update
- Allocates £1,500,000 for the project within the Capital Programme funded from the Life Cycle Maintenance Fund Reserve

- Delegates the access to the fund to the Strategic Director for People, in conjunction with the Cabinet Member for Sport and Leisure in line with Council Standing Orders
- Approves the allocation to the capital programme of £2,475,505 financed by Corporate Borrowing to fund the enhancements outlined in this report
