Dear Sir/Madam

Ref: Stoke Grill 62, Devonport Road Stoke Village PL3 4DF

I am writing as advised regarding the above premises requesting an extension to their opening hours from 23.00 to 02.00hrs.

I implore you to **not** permit this to be granted. As a resident in the village, for some 25yrs, having to live around these takeaway establishments is like living on a rubbish tip and it is only getting worst. The owners of the takeaways take no responsibility of the rubbish their business creates. With the cut backs of the street cleaners Stoke looks neglected and disgusting. The filth is abhorrent, the smell awful, attracting the seagulls and rats.

Every morning, but more at the weekends it is shameful of the amount of takeaway paper and trays discarded on the street. During the weekends and when anyone of the pubs have an event, which is frequent. Vomit from the takeaways on the street and in our doorways, is a regular occurrence.

We have a major problem with parking, and the problems enhanced for the 15 - 20mins to pickup and collect the takeaways for this to be extended to the early hours should be a major negative consideration. The car doors slamming from the takeaway drivers throughout the night is bad but to think this could go on to the early hours of the morning doesn't bare thinking about. The takeaway drivers permanently block a service lane every night, it's the only access we have for my disabled husband to access our home. We have been prepared to work with them during the evening but having this inconvenience until 2am is ridiculous I fear the chaos should we need an ambulance. Because it isn't just one care there can be anything up to 6 cars in the service lane blocking everyone's access. The drivers are usually shouting on their phones in the lane, while waiting for their next delivery. They have no regard to the fact they are in a residential area, with old, mentally handicapped people and shift workers.

Stoke is not only, the main through road for our visitors from the ferries or trains but it is a conservation area which seems to be lost with the planning consents of recent times. 23.00 is an acceptable trading time in a major built up area of residents trying to have a quiet enjoyment of their lives and home. Stoke is not the place for businesses open until 02.00!

I am begging you to listen to and consider the residents and the area this takeaway is based. A 02.00 time might be fine for city centre trading hours but not in this conservation area. The second you approve this one, you will have at least 3 more requesting the same. The planning office needs to consider the quality of life for the residents while making these decisions, I implore you make the

right decision this time. And uphold the decision the planning office made when it was granted change of use from a butchers to a takeaway please.

Good evening,

We are writing to formally object to the proposed extension of opening hours for the Stoke Grill, 62 Devonport Road.

Our objection is based on the following concerns:

- the increase of anti social noise and behaviour in a heavily residential area.
- the increase in waste and litter in an area that already has a huge problem of overflowing bins spilling on to the pavements and commercial packaging being fly tipped.
- the increase of noise and disruption caused by delivery drivers using lanes between residential properties and reversing and driving the wrong way at excessive speed down the one-way street (Wesley Place and Masterman Road)
- the continuation of operational noises (pans clanging, bins being emptied, rear door being opened and closed etc) will be disruptive to nearby residents should they be allowed to continue at such unsociable hours.

The proposed opening until 2am, 7 days a week will have a significant detrimental impact on the lives of nearby residents.

I appreciate your consideration of this objection.

Kind regards,

Dear Sir/Madam

I am writing to voice my concerns over the application from the Stoke Grill to extend their licensing until 2am. I object to this due to the amount of noise, litter and general disturbance to the local residents. Stoke village is a mixed used area but it is also a conservation area and must be looked after as such.

We would like the village to remain a pleasant destination for residents and local businesses and unfortunately I feel like this would cause a problem.

Many thanks

I am concerned that if the premises opens until 2am that this will cause a nuisance to me and other residents in the street and will affect my sleep."

The prevention of crime and disorder

For example evidence of anti-social behaviour, police incidents

Public safety

For example alterations to the premises, capacity limits

The prevention of public nuisance

For example noise disturbance, littering

I am concerned that the ability to open every night of the week could lead to a public nuisance with people gathering at the premises up and until 2am which could disturb residents who live in the surrounding area. I am also concerned it could lead to an increase in littering.

The protection of children from harm

For example underage sales, exposure to certain performances
