49. **Local and National Development Updates**

Chair informed members that NASACRE are having their RE conference virtually in January 2022 over two days.

Annmarie Allchurch provided an update on the Learn Teach Lead conference that was held in October with a wide range of speakers on RE and people finding their faith. The 'Nobody Stands Nowhere' video was very good and informative and will be used widely in other settings. This includes St Andrew's CE Primary School, where there will be a 'World Views Day' and there will be a display of pupils work on this. Chair asked if some examples of this work could be shared at the next SACRE meeting. Annmarie Allchurch confirmed this would be done.

Chair gave an update on the RE Hub. It is really busy with guest speakers this year including a researcher approach and a speaker looking into views within Islam. Schools are sending different representatives each time so the ideas spread across the school, rather than just going through one member of staff. There are projects looking into a World Views curriculum. There will be a session on World Views led by Chair and Ed Pawson will present from a Secondary perspective.

Chair informed members that Plymouth is one of 5 cities for the 5 cities project, bringing together members of the media, teachers and faith groups for conversations with the aim of breaking down barriers and looking at understanding diversity and different points of view. Chair is on a panel that will be discussing British Values.

Chair to connect Jonathan Marshall to Lesley Clark. Jonathan Marshall has poetry, written post war about the holocaust and he has managed to remove the copyright for some activities and discussion for local children for use in schools. The children will need to think about the meaning of the poems and then begin to write their own poetry. Chair hopes that between herself, Jonathan Marshall and Lesley Clark, they are get this utilised in schools.

Chair gave an update that the Church of England has released information about collective worship and how to make it more inclusive. A bill has gone through the House of Lords to look at collective worship in primary schools. Chair proposes that SACRE look at providing training for school staff about what collective worship is and what it looks like in practice. Chair to update at next meeting.

Annmarie Allchurch explained that in her school of St Andrews CE Primary School, that collective worship has been carried out, even with COVID19 restrictions, by approaching it on a Key Stage and/or class basis. This happens 3 times a week.

Chair explained that contacts have said COVID19 seems to be the reasons collective worship has not come back into schools, and some schools do not understand the clear differences between assemblies and collective worship.

Councillor Mary Aspinall explained that it would be a good time to contact schools and provide advice on collective worship on a class by class basis to ensure schools can carry it out whilst staying safe. SACRE must do this and ensure it has done its part to evidence in the case of an OFSTED inspection. Michael House explained that he produces a health and wellbeing education briefing newsletter, next going out on the 4 December, collective worship and compliance around religious education is going to be in there.

50. **SACRE Procedures and Constitution**

Michael House and Chair to have a working party with Lesley Clark to review the current SACRE constitution.

Members asked to send feedback to SACRE@plymouth.gov.uk on the constitution and structure/houses within two weeks of the minutes being received by 8 December 2021. Hannah Whiting to share minutes of meeting on or before 24/11/21. Michael House, LC and Chair to then organise a meeting.

51. **Election of the next Chair**

Chair and Vice Chair agree to remain in their positions until the scheduled July 2022 SACRE meeting.

Any members who are interested in becoming Chair to speak to current chair before scheduled March 2022 meeting.

Working group to look at formalising an outgoing Chair attends meetings alongside new chair for a year, to support.

52. **Non-Compliant Schools**

Michael House informed members that there was no update on Non-Compliance from Plymouth High School for Girls (PHSG). Any conversations that have been had have been responded to with statements about the difficulty of compliance during COVID19.

Chair asks for previous letter to be adjusted and re-sent and the schools academy trust to be contacted, as they should have a policy on collective worship. Chair to seek advice on this from Deborah Western through NATRE and send a copy of a revised letter to Michael House to send shortly.

Vice Chair suggests herself, Chair and Michael House meet early in the Spring Term to discuss any response and the way forward, perhaps contacting the DfE.

53. **Updates from members**

Michael House explained in Ed Pawson's absence that the South West SACRE Conference is due to be held on 28 February 2022. It is not clear yet whether this will be a virtual or face-to-face event, due to the ongoing COVID19 pandemic. Michael House and Hannah Whiting to email details out to members when there is more information.
