

Leader's Forward Plan - 22 December 2017 onwards

This Forward Plan includes 'key' decisions that will be taken by the Cabinet, the Leader, Cabinet members, under joint arrangements and by Council Officers.

A 'key decision' is a decision that:

- relates to an executive function which results in the Council: spending or raising annual income by more than £500,000 (or more than £2,000,000 if that is the total cost of the contract award)
- results in a saving of more than £1,000,000 (unless the saving has a material impact upon service provision such as a significant change or cessation of service delivery and associated staff redundancies or has a significant impact on customers)
- is significant in terms of its effect on communities living or working in an area comprising two or more wards.

The Council is committed to making decisions in public. However, on occasion, some decisions will involve information that must be considered in private because, for example, the information is commercially confidential or relates to a legal proceeding. If you would like to make representations about why a particular decision should be made in public, please contact Democratic Support by no later than seven clear working days before the date of the meeting. An updated list will be published five clear working days ahead of the scheduled meeting of the Cabinet and published with the Cabinet agenda.

Decision makers will consider a number of documents which will include a report, an Equality Impact Assessment and, if applicable, a confidential report, a business case, contract award report and any other document relevant to the decision.

Any non-confidential document(s) may be obtained from the officer contact in the key decision table below either by email or phone or from Plymouth City Council, Ballard House, Plymouth, PL1 3BJ. If paper copies are required, a reasonable charge may be made.
