Purpose of Report

This report sets out the Treasury Management Strategy for 2020/21 and includes the Annual Investment Strategy, the Non-Treasury Management Investment Strategy and the Minimum Revenue Provision Statement.

These reports are required by The Chartered Institute of Public Finance and Accountancy (CIPFA) Code of Practice for Treasury Management in Public Services.

Recommendations and Reasons

1. The Audit Committee recommends the Treasury Management Strategy 2020/21 (incorporating the authorised limits, operational boundaries and prudential indicators) to the Council for approval.

This is to comply with the CIPFA Code of Practice and discharge our statutory requirement.

Alternative options considered and rejected

It is a statutory requirement under the Local Government Act 2003 and supporting regulations to set an annual treasury strategy for borrowing and prepare an annual investment strategy. The Council has adopted the CIPFA Code of Practice for Treasury Management.

Relevance to the Corporate Plan and/or the Plymouth Plan

Effective financial management is fundamental to the delivery of corporate improvement priorities. Treasury Management activity has a significant impact on the Council's activity both in revenue budget terms and capital investment and is a key factor in facilitating the delivery against a number of corporate priorities.

Implications for the Medium Term Financial Plan and Resource Implications:

Treasury Management affects the Council's budget in terms of borrowing costs and investment returns. The Treasury Management Strategy sets the authorised limits and operational boundaries within which investment and borrowing decisions are taken and risks managed. Effective treasury management will provide support towards the achievement of its business and service objectives. It is therefore committed to the principles of achieving value for money in treasury management, and to employing suitable performance measurement techniques, within the context of effective risk management.

Carbon Footprint (Environmental) Implications:

No direct implications.

Other Implications: e.g. Health and Safety, Risk Management, Child Poverty:

** When considering these proposals members have a responsibility to ensure they give due regard to the Council's duty to promote equality of opportunity, eliminate unlawful discrimination and promote good relations between people who share protected characteristics under the Equalities Act and those who do not.*

A robust Treasury Management Strategy is key to ensuring a successful delivery of our Medium Term Financial Strategy and ensuring the Council can achieve its objectives to be a Pioneering, Growing Caring and Confident City.
