Purpose of Report

This report is the quarter two 2019/20 Corporate Plan Performance Report (Health and Adult Social Care Overview and Scrutiny Committee (ASCOSC) version).

This is a reduced version of the report includes only the sections of the report relevant to ASCOSC. All indicator updates are submitted as provided to Cabinet including the recommendation below.

In terms of performance against the Corporate Plan, this report provides analysis as at the end of September 2019 of performance against the Council's key performance indicators (KPIs), providing a detailed performance update against the Corporate Plan priorities.

This report forms part of the Council's Performance Framework and is a key part of our aim to achieve a 'golden thread' from the Corporate Plan and its KPIs and delivery plans, through to service and team level business plans, and ultimately to individual objectives.

Recommendations and Reasons

That Scrutiny:

I. Notes the Corporate Plan Quarter Two Performance Report and consider the implications for delivery of the Council's priorities;

None – our Financial Regulations require us to produce regular monitoring of our finance resources

Relevance to the Corporate Plan 2016/17-2018/19

This report is fundamentally linked to delivering the priorities within the Council's Corporate Plan. Allocating limited resources to key priorities will maximise benefits to the residents of Plymouth.

Implications for the Medium Term Financial Plan and Resource Implications:

Robust and accurate financial monitoring underpins the Council's Medium Term Financial Plan (MTFP). The Council's Medium Term Financial Forecast is updated regularly based on on-going monitoring information, both on a local and national context. Any adverse variations from the annual budget will place pressure on the MTFP going forward and require additional savings to be generated in future years.

Carbon Footprint (Environmental) Implications:

No impacts directly arising from this report. Indicators relating to recycling rates and carbon emissions are included within the Corporate Plan Performance Report.

Other Implications: e.g. Child Poverty, Community Safety, Health and Safety and Risk Management

The reducing revenue and capital resources across the public sector has been identified as a key risk within our Strategic Risk Register. The ability to deliver spending plans is paramount to ensuring the Council can achieve its objectives to be a Pioneering, Growing, Caring and Confident City.
