

# APPENDIX A – COMMITTEE APPOINTMENTS AND PROPORTIONALITY 2020/21

## I. LEGISLATIVE REQUIREMENTS OF PROPORTIONALITY

Section 15 (5) of the Local Government and Housing Act 1989 imposes a duty on Councils to review the representation of different political groups on bodies to which the Council makes appointments. The Act requires that the review should be held at the Annual General Meeting or as soon as practicable after that meeting or when the membership of the Council changes.

The Act provides four principles concerning political representation that must be observed when conducting a review. These are:

- (a) that not all the seats on committees are allocated to the same political group;
- (b) that the majority of the seats on each committee are allocated to a particular political group if the number of persons belonging to that group are a majority of the authority's membership;
- (c) subject to (a) and (b), that the number of seats on committees which are allocated to each group bears the same proportion to the total of all the seats on committees of the council as is borne by the number of members of that group to the membership of the authority, and
- (d) Subject to (a) to (c) above, that the number of seats on each committee which are allocated to each political group bears the same proportion to the number of all the seats on that committee as is borne by the number of members of that group to the membership of the authority.

The legislation provides that the Council may make alternative arrangements to the 'proportionality' principles only by a unanimous vote.

The Committees and Panels to which the provisions of Section 15 of the Act apply, and the recommended allocation of seats on each, applying the principles of the Act as closely as is reasonably practicable, are shown in **Section 2** below. The recommended allocation of seats reflects the four proportionality principles as accurately as reasonably practicable.

## 2. OVERALL PROPORTIONALITY 2020/2021

Number of Seats on Council

	Seats on Council
Labour	30 (52.6%)
Conservatives	25 (43.9%)
Independent*	2 (3.6%)
Total	57

\* There are 57 members on Plymouth City Council. The Local Government and Housing Act 1989, which sets out how seats should be allocated to members on a Council, describes the distribution of seats between the political Groups into which the Council has divided itself. Therefore strictly speaking there is no seat entitlement to members who are not in a Group. The definition of what constitutes a group on a Council is covered in The Local Government (Committees and Political Groups) Regulations 1990 and can be found in the following link <https://www.legislation.gov.uk/ukSI/1990/1553/part/III/made>

A single representative does not constitute a Group which is defined as a number of persons bound together by common interests. As such, a single Member is not entitled to any Committee seats. This is consistent with practice previously employed by the Council in similar circumstances (e.g. 2013 AGM when there was a single independent member).

### The application of the legislative principles is set out below:

Principle (a) – The seats were allocated amongst the Labour and Conservative groups’.

Principle (b) – As the majority group, the Labour Group were allocated the majority of seats on each committee.

Principle (c) – Subject to (a) and (b), the allocation of seats on all committees was based on the group’s percentage of total Council membership is as set out above.

Principle (d) Subject to (a) to (c), each group has the same proportion of seats on each committee as it holds on the Council as a whole.

**Notes:**

The Devon Audit Partnership, the Joint Health Scrutiny Committee, the Health and Wellbeing Board and Mount Edgcumbe Joint Committee do not fall under the statutory rules and have not, therefore, been included in the political balance calculations.

The Devon and Cornwall Police and Crime Panel is required to meet the “balanced appointment objective” Schedule 6, Police Reform and Social Responsibility Act 2011 as a result of being a multi-authority panel, therefore two Labour seats were allocated in order to meet this objective.

The new Scrutiny Management Board has been allocated on an even basis in order to reflect the political balance of the Chairs of these committees (2 Labour and 2 Conservative). The Board will have a Labour Chair.

The Heart of the South West Local Enterprise Partnership Joint Scrutiny Committee is a new committee established in 2018. It is included in the main proportionality calculations by virtue of it being a committee of councils on which elected-members serve (as opposed to a committee of LEP itself).
