Purpose of Report

The administration continues with its four year programme to deliver against the 100 pledges, by March 22, for a better, greener and fairer Plymouth. Following the completion of pledge 66 in June, the total number of pledges completed is 74 of the 100.

A “pledge on a page” overview has been prepared for each of the following pledges listed below:

- **Pledge 66:** We support community policing and we will continue to oppose cuts to the number of police stations, police officers and PCSOs in Plymouth. We will fight any further cuts to Plymouth’s fire cover, the number of fire stations and firefighters in our city.

Relevance to the Corporate Plan and/or the Plymouth Plan

The 100 Pledges and manifesto priorities continue to inform development and delivery of the Corporate Plan and therefore have been adopted by the Council as part of delivery of the Corporate Plan.

Implications for the Medium Term Financial Plan and Resource Implications:

All resource implications have been considered and incorporated within the MTFP and Service Business Plans.

Carbon Footprint (Environmental) Implications:

Pledge completions complement the Council's existing policy framework with respect to the above. However, where potential environmental implications are identified from the implementation of any new activities arising from pledge delivery, assessments will be undertaken in line with the Council's policies.

Other Implications: e.g. Health and Safety, Risk Management, Child Poverty:

* When considering these proposals members have a responsibility to ensure they give due regard to the Council's duty to promote equality of opportunity, eliminate unlawful discrimination and promote good relations between people who share protected characteristics under the Equalities Act and those who do not.

Where potential implications are identified from the implementation of any new activities arising from pledge delivery, assessments will be undertaken in line with the Council's policies.
