Purpose of Report

Standards for Internal Audit in local government are set out in the Public Sector Internal Audit Standards (PSIAS). The PSIAS confirm that the Council should periodically prepare a risk-based plan of Internal Audit activity that is designed to support an annual opinion on the effectiveness of the systems of governance, risk management and internal control and is informed by the audit strategy, consultation with stakeholders and a dynamic assessment of risks.

The PSIAS state that 'the chief audit executive' must communicate the internal audit activity's plans and resource requirements to senior management and the board (Audit & Governance Committee) for review and approval.

The 2019/20 Internal Audit Plan was originally on the agenda for the 23 March 2020 Audit and Governance Committee but this meeting was cancelled due to Covid-19.

Recommendations and Reasons

Members are requested to review and approve the Internal Audit Plan for 2020/21.

Alternative options considered and rejected

None, as failure to maintain an adequate and effective system of internal audit would contravene the Accounts and Audit Regulations 2015.

Relevance to the Corporate Plan and/or the Plymouth Plan

The Internal Audit service assists the Council in delivering robust standards of public accountability and probity in the use of public funds and has a role in promoting high standards of service planning, performance monitoring and review throughout the organisation, together with ensuring compliance with the Council's statutory obligations.

Our work supports delivery of the values and priorities set out in Corporate Plan by ensuring that resources are used wisely, and service areas understand and deliver quality public services which meet customer and community needs and keep people safe.

Implications for the Medium Term Financial Plan and Resource Implications:

Delivery of the audit plan will assist the council in delivering value for money services.

Carbon Footprint (Environmental) Implications:

No direct carbon/environmental impacts arising from the recommendations.

Other Implications: e.g. Health and Safety, Risk Management, Child Poverty:

* When considering these proposals members have a responsibility to ensure they give due regard to the Council's duty to promote equality of opportunity, eliminate unlawful discrimination and promote good relations between people who share protected characteristics under the Equalities Act and those who do not.

The work of the internal audit service is an intrinsic element of the Council's overall corporate governance, risk management and internal control framework.
