## **Purpose of Report**

This report summarises the work carried out during the first 6 months of 2020/21 by the Counter Fraud Services Team in order to counter fraudulent threats to the Council's budget and reputation.

## **Recommendations and Reasons**

The Audit Committee is recommended to note the Half Yearly Report.

## **Alternative options considered and rejected**

Effective counter fraud processes are an essential element of internal control and as such are an important element of good corporate governance. For this reason alternative options are not applicable.

## **Relevance to the Corporate Plan and/or the Plymouth Plan**

Maintaining sound systems of internal control and protecting the public purse ensures that those who legitimately need the support and services of the Council get them and this therefore supports the achievement of corporate and service objectives.

## **Implications for the Medium Term Financial Plan and Resource Implications:**

None arising specifically from this report.

## **Carbon Footprint (Environmental) Implications:**

Efficient and correct use of Council resources can only positively affect its Carbon Footprint, however no direct impact can be proven from this report.

## **Other Implications: e.g. Health and Safety, Risk Management, Child Poverty:**

\* When considering these proposals members have a responsibility to ensure they give due regard to the Council's duty to promote equality of opportunity, eliminate unlawful discrimination and promote good relations between people who share protected characteristics under the Equalities Act and those who do not.

The Counter Fraud Services Team specifically support the council's overall governance arrangements
