

MOTION ON NOTICE

City Council 25 January 2021

Marine Environment & Fishing

Fishing and the Marine Environment are vitally important to the City of Plymouth and its economy.

To specifically support our local fishing community and to protect our internationally important marine environment we call on the Leader of Plymouth City Council:

To write on behalf of the Council, congratulating the Prime Minister on banning Electric Pulse Fishing and to support the Banning of Super Trawlers from UK waters.
