EQUALITY IMPACT ASSESSMENT

Award of Insurance Contracts w.e.f. | April 2021

STAGE I: What is being assessed and by whom?				
What is being assessed - including a brief description of aims and objectives?	The award of insurance contracts with effect from 1 April 2021 following a formal tender. The scope and value for money of tenders is evaluated jointly by the Council's insurance brokers, Marsh Ltd and the Council officers with the process overseen by the Procurement Team.			
	These are corporate insurance contracts which concern the protection of the Council's assets from insured losses as well as protection from the financial impact of compensation claims.			
	The beneficiaries of the insurance contracts will be the Council itself or its component services or third parties who have legitimate claims for compensation due to physical damage to property or personal injury occasioned by the negligent acts of the Council.			
	Entitlement to compensation is free of any policy exclusions or specific clauses that affect or prejudice minority groups and no adverse impacts are therefore anticipated through the award of insurance contracts or their future administration.
