Purpose of Report

The purpose of this report is to advise Council of changes to the political proportionality of the Council and membership of committees.

Recommendations and Reasons

- 1. That Council notes the changes to committee membership set out at Appendix A of this report following changes in the political proportionality of the Council.
- Reason: To maintain clarity of the Council's committee structure and membership

Alternative options considered and rejected

To retain membership of Committees as agreed at the Council's AGM. This would not reflect changes in political proportionality, and would not therefore reflect the Council's duty in this respect under Section 15 of the Local Government and Housing Act 1989.

Relevance to the Corporate Plan and/or the Plymouth Plan

Clarity on appointments to committees ensures that key projects and activities can be progressed in line with the Corporate and Plymouth Plans

Implications for the Medium Term Financial Plan and Resource Implications:

Special responsibility allowances for committee chairs and, where relevant, vice-chairs, are already built into the members' budgets. There are no additional resource implications of the recommendation of this report.

Carbon Footprint (Environmental) Implications:

Committee appointments ensure that carbon reduction and environmental measures are suitably supported by the democratic process.

Other Implications: e.g. Health and Safety, Risk Management, Child Poverty:

* When considering these proposals members have a responsibility to ensure they give due regard to the Council's duty to promote equality of opportunity, eliminate unlawful discrimination and promote good relations between people who share protected characteristics under the Equalities Act and those who do not.
