

A BRIGHT FUTURE 2021-2026

A vision to make sure that Plymouth children and young people have the best possible start to life

Everyone who works with children and young people wants to make sure they have a Bright Future. We are ambitious for all children to live full and happy lives, receiving good quality health services, attending high quality education, and having fun while staying safe.

Our aim is that all Plymouth children and young people will have the opportunity to reach their full potential regardless of their

circumstances or childhood experiences. We also want to reduce any negative impact Covid-19 might have on your future.

We are making changes to the way we work together to support you. We will be clear about what we are doing and how it makes a difference to your lives. We want your voices to be at the heart of what we do so we can ensure that you grow up **healthy and happy, safe** and able to **aspire and achieve**.

TO STAY HEALTHY AND HAPPY

We will make sure you receive the right support to help you and your friends with your mental health and wellbeing.

We will work to make improvements to help you live healthy and active lives.

TO BE SAFE

We want Plymouth to be a place where children and young people feel safe and protected from the risks of being harmed at home and in communities.

You will be protected from all forms of exploitation

We will provide you with support from people that best suit your needs for as long as you need.

TO ASPIRE AND ACHIEVE

We will prepare you for all stages of education through nursery, primary and secondary school to give you the skills needed for the world of employment.

We are planning to increase opportunities for children and young people with special, educational needs and disabilities within Plymouth.
