			x	in the case of revenue projects when the decision involves entering into new commitments and/or making new savings in excess of £1million
		x	is significant in terms of its effect on communities living or working in an area comprising two or more wards in the area of the local authority.

9	Please specify how this decision is linked to the Council's corporate plan/Plymouth Plan and/or the policy framework and/or the revenue/capital budget:	The Local Transport Plan (LTP) details the transport strategies and policies that the City Council has adopted and will be key in helping the city meet its Corporate Plan priorities, and growth agenda.		
10	Please specify any direct environmental implications of the decision (carbon impact)	The decision will enable safe and convenient access for pedestrians and cyclists, therefore providing an alternative to the private car.
