### STAGE 3: ARE THERE ANY IMPLICATIONS FOR THE FOLLOWING? IF SO, PLEASE RECORD ACTIONS TO BE TAKEN

Local priorities	Implications	Timescale and who is responsible
<b>Celebrate diversity and ensure that Plymouth is a welcoming city.</b>	<p>Afghanistan is a predominantly Muslim country, it is anticipated that the majority of those relocated will be Muslims and will most likely identify their race as Asian Other.</p> <p>By taking the decision to participate in the Scheme the Council is remaining consistent with its values as Welcoming City and an area that celebrates and encourages people of different backgrounds, faiths and experiences.</p>	<p>The integration work we will be commissioning will ensure that families are supported and encouraged to engage positively with the wider community. Further projects undertaken by the Controlling Migration Fund will specifically look at improving community cohesion within neighbourhoods and across</p>

		<p>communities will further support this week.</p> <p>We will also seek to address any cultural norms of those arriving via the Scheme which may not be consistent with norms within the UK e.g. LGBTQ+ rights and right of women to work with peer to peer support networks.</p>
<p><b>Pay equality for women, and staff with disabilities in our workforce.</b></p>	<p>Women arriving via the scheme may initially have low levels of English, which impacts their ability to go into skilled work. Many of the women arriving on the scheme will have child care responsibilities which may impact their ability to enter the workplace in the short-term.</p> <p>The Scheme will fund employment of Council staff and staff within commissioned services to deliver the scheme requirements.</p>	<p>Plymouth City Council has reported a Gender Pay Gap of 2.6 per cent with a median pay gap of 3.3 per cent in favour of women. Staff employed to support the scheme will be paid according to local authority banded scales to ensure equal pay rates. All commissioned services funded by the Scheme will be required to sign our Equality and Diversity policy, including a commitment to equal pay between genders.</p> <p>Individuals arriving on the scheme will receive an Independent Advice and Guidance session on arrival to discuss future employment. This will include setting out rights and raising awareness of being an employee in the UK.</p>
<p><b>Supporting our workforce through the implementation of Our People Strategy 2020 – 2024</b></p>	<p>The Principal Applicants arriving via the ARAP Scheme will have been employed in Afghanistan by the Ministry of Defence and will have a unique and varied range of skills and experience. We are anticipating that English levels will be higher than some of the other migrants and refugees arriving into the city.</p> <p>There may be opportunities with the Council for people with existing skill set as well as potential to participate in future access programmes, including work experience, paid internships and graduate programme.</p>	<p>As an employer we have committed to signing the Race at Work charter and to create a vibrant employee equality, diversity and inclusivity group with regular seminars</p>

<p><b>Supporting victims of hate crime so they feel confident to report incidents, and working with, and through our partner organisations to achieve positive outcomes.</b></p>	<p>There is potential for individuals and families arriving via the Scheme to feel isolated and to be the target of racism and hostility based on current tension around immigration and security.</p> <p>Post the Brexit referendum neighbourhood surveys conducted indicate a decline in local community cohesion rates.</p>	<p>Many of the wider Refugee and Asylum Seeker support providers are third party reporters for hate crime and can help support families and raise awareness of how to report incidents. Scheme funding supports events such as respect Festival, International Women's Day and Hope Festival. The Diverse Communities Team at Devon and Cornwall Police will attend all of these events to educate families further.</p>
<p><b>Plymouth is a city where people from different backgrounds get along well.</b></p>	<p>Immigration is currently viewed negatively by a majority of UK residents (79%). Previously there has been significant public support for the relocation of foreign national civilians to the UK who have been employed by the Ministry of Defence and armed forces in recognition of the commitment and bravery shown often in challenging and dangerous situation.</p> <p>Post the Brexit referendum neighbourhood surveys conducted indicate a decline in local community cohesion rates.</p>	<p>Numbers involved in the scheme will be controlled and so the local impact is likely to be minimal.</p> <p>Proactively promoting the scheme may be inappropriate considering the vulnerability of participants. However, Plymouth City Council would embed reference to this group in wider myth busting work on Migrants, Asylum Seekers and Refugees.</p> <p>We will promote engagement with the local community, including the Arabic-speaking and Muslim communities as part of our wider Welcoming City, hate crime incidents and community cohesion work. Any tensions will be monitored and responded to as required.</p>
<p><b>Human rights</b> Please refer to <a href="#">guidance</a></p>	<p>Article 2 – right to life - everyone's right to life shall be protected by law.</p> <p>Article 3 of the HRA states that no-one shall be subjected to torture or to inhuman or degrading treatment or punishment.</p> <p>Article 9 of the HRA protects Freedom of Thought, Conscience and Religion. This right includes freedom to manifest religion or belief, in worship, teaching, practice and observance.</p>	<p>The government has stated that one scheme aim is to remove the incentive to attempt risky crossings of the Eastern Mediterranean. Our participation promotes protection of the right to life.</p>

	<p>Article 2 of the First Protocol: Right to education</p>	<p>Scheme participants may have been subjected to torture. We will ensure that this is taken in account in health and social care assessments.</p> <p>Whilst this does not amount to a duty to make provision for someone to practice their faith we will have an early conversation with local places of worship about their ability to accommodate new worshipers and enable scheme participants to fully practise any religion or belief they hold in Plymouth.</p> <p>Right to education – all children arriving via the Scheme will be automatically entitled to mainstream education. We will work with the admissions team and the education, participation and skills team to ensure that children are allocated places at school within a reasonable timeframe. Places will be allocated with due regard to impact on the local area. Adults arriving on the scheme will be entitled to access ESOL classes and money provided by the Scheme will support the provision of a crèche facility and women’s only classes.</p>
