Please explain the likely effect the granting of the application would have on the promotion of the above Licensing Objectives:	<p>Gambling is a serious addiction problem throughout the UK causing misery and ruin to thousands of adults and children. Scores of Plymstock and Coombe Dean school children pass through The Broadway every day, many looking 18 years or over. Having a Casino Slots business on their route to and from school would encourage some of them to gamble, which could eventually ruin their young lives. This business would have the same effect on some adults. Adults and children with gambling addictions have turned to suicide because they cannot control their addiction to gambling. It's unthinkable to that this could happen in Plymstock if this license is granted. A Casino Slots business would not be a benefit to the Plymstock community. I trust the licensing committee will agree and refuse this application.</p>

Please explain the likely effect the granting of the application would have on the promotion of the above Licensing Objectives:	This is not a suitable establishment to have on Plymstock Broadway as it will encourage people to get into debt. This is a shopping precinct not somewhere to come for what is usually seen in seaside resorts. People live above the shops and will suffer from the noise if it is open for 24 hours a day and possibly rowdy behaviour.

Please explain the likely effect the granting of the application would have on the promotion of the above Licensing Objectives:	People, with young children, live in the flats above the units on Broadway. Tamar slot machines running from midnight to midnight will create noise from inside the premises and outside when people are leaving. There is also a risk of increasing public nuisance in an area where there are already issues with behaviour. Lastly, in a time when people are struggling financially and from mental health issues, we shouldn't be adding to people's difficulties by encouraging gambling/making it easier for them to gamble, by placing these premises right on their doorstep.

Please explain the likely effect the granting of the application would have on the promotion of the above Licensing Objectives:	<p>The Broadway has had many incidents of anti social behaviour over the past year reported via social media. These primarily occur later in the day and if businesses began opening 24 hours this would inevitably increase traffic within the area during the evening and night. Subsequently, this could lead to an increase in this behaviour.</p> <p>This area is also a residential area with young families. A business open 24 hours a day would have a high potential of disrupting these families in their homes at all hours of the day.</p>

Which of the following Licensing Objectives is this representation relevant to:	Preventing gambling from being a source of crime or disorder, being associated with crime or disorder or being used to support crime. Protecting children and other vulnerable persons from being harmed or exploited by gambling.
Please explain the likely effect the granting of the application would have on the promotion of the above Licensing Objectives:	Having been a resident of Plymstock for 20 years, I am concerned by the hours that the licensee has applied for. Plymstock Broadway has no other late night venues. Residents live in flats above all Plymstock Broadway commercial units. Plymstock no longer has a local police station any form of late night warden, with just one community police officer during the day. The proposed use is also alien to the rest of the neighbouring businesses and therefore the customer profile that it currently attracts, and the local elderly community may be uncomfortable with the clientele of a business such as this.

Protecting children and other vulnerable persons from being harmed or exploited by gambling
Please explain the likely effect the granting of the application would have on the promotion of the above Licensing Objectives:	There is no need for a 24 hour betting shop on the Broadway where there are flats with small children and the safety at night is already in question with several muggings in the last 6 months without all night establishments.
Is there any reason why you do not want your personal details to be passed on to the premises licence holder:

Please explain the likely effect the granting of the application would have on the promotion of the above Licensing Objectives:	I am concerned about the level of noise this business will cause and the disturbance to local residents. Also in these times of personal hardship I think this type of gambling establishment could be highly dangerous and not at all beneficial to the community.

Please explain the likely effect the granting of the application would have on the promotion of the above Licensing Objectives:	I object to this application on the grounds that the Broadway does not need this type of establishment with long and late opening hours. It could cause noise and a nuisance to residents living in this area. Young people already congregate on the Broadway at night and I feel that a betting establishment could exacerbate the problem. This type of betting can lead to addiction which, in these uncertain times is the last thing anyone needs.

Which of the following Licensing Objectives is this representation relevant to:	All
Please explain the likely effect the granting of the application would have on the promotion of the above Licensing Objectives:	A slot machine shop is a wholly inappropriate use of this unit. It's location is where young and vulnerable people pass through particularly school children. There are already two gambling premises on the Broadway we do not need anymore. The opening hours will encourage the congregation of people on the Broadway at very late hours. I will certainly feel quite concerned at going through there after dark.

Whick of the following Licensing Objectives is this representation relevant to:	All

<p>Please explain the likely effect the granting of the application would have on the promotion of the above Licensing Objectives:</p>	<p>*Unsuitable use of premises for gambling business amongst family focussed shopping precinct in close proximity to residential properties.</p> <p>*The Broadway shopping precinct is a popular thoroughfare for children and students from five local schools including two large secondary schools; Plymstock and Coombe Dean.</p> <p>*Exposure to slot machines and gaming business heightens a risk of temptation to spend in a speculative manner, chasing dreams with limited and diminishing resources and for a vulnerable section of the community, ultimately leading to addition and subsequent behaviours: debt, mental health problems such as depression, and other substance and domestic abuse.</p> <p>*Premises in the area ought to promote positive behaviours and retail enterprise.</p> <p>*As there is already one gambling concern on The Broadway, adult gambling is provided for under safe gambling regulations and guidelines.</p> <p>* A slot machine business will be an unwarranted addition to the shopping precinct in order to tempt young people as well as some adults to unfruitful habits.</p>

Which of the following Licensing Objectives is this representation relevant to:	All
Please explain the likely effect the granting of the application would have on the promotion of the above Licensing Objectives:	There is no more need for this community to get more people addicted and in debt to gambling. The world has changed and is a vulnerable place with mental health issues and slot machines are easy way to get into debt. We as a local authority need to be responsible and take risk assessments to prevent this. 24 hr opening is also a danger to late night pedestrians and anti social behaviour, let alone the noise pollution to residents. We need to all act responsibly and deny this application. Never has our shopping centre been so bad. Invest in local business, support trades which contribute to our community not make business wealthy with greed at our community cost.

<p>Please explain the likely effect the granting of the application would have on the promotion of the above Licensing Objectives:</p>	<p>I am concerned that the premises will be licensed from midnight to midnight. There are residential premises immediately above.</p> <p>There have been various incidents of nuisance on The Broadway, I fear that this type of premises will increase those. I would like to see evidence that immediate surrounding areas are not affected by this type of business.</p> <p>Also, I cannot see that the surrounding businesses will benefit from this either.</p> <p>If this were granted, given the present economic climate this seems to be an irresponsible act.</p> <p>The Broadway has a lovely feel to it, I am concerned that a venue of this type will detract from its attraction; this just doesn't seem the right place.</p>

Which of the following Licensing Objectives is this representation relevant to:	All
Please explain the likely effect the granting of the application would have on the promotion of the above Licensing Objectives:	Whilst the Broadway needs shops, gaming machines open 24/7 will encourage Children and others to gather outside the premises where a nuisance already happens. Breaking the idea of a quiet area at night. Gambling on slots is not suitable for a residential shopping area with flats above the shops and a degree of poverty encouraging further gambling. I suspect it will encourage an undesirable element as well. I would reluctantly accept 0900 to 1700 opening hours.
