Purpose of Report

This report summarises the work undertaken by Devon Audit Partnership during 2021/22, reviews the performance and effectiveness of the Internal Audit service, and provides an audit opinion on the adequacy of the Authority's internal control environment. Our work delivers objective and relevant assurance and contributes to the effectiveness and efficiency of the governance, risk management and internal control processes.

A key element of the Council's governance arrangements is the Annual Governance Statement (AGS), signed by the Leader, Chief Executive and Service Director for Finance (S.151 Officer). The assurance opinion derived from the work of the Internal Audit Service is used to help inform the Annual Governance Statement (AGS).

Regulation 6 of the Accounts and Audit (England) Regulations 2015 requires that 'a relevant authority must, each financial year conduct a review of the effectiveness of the system of internal control required by regulation 3, and prepare (and approve) an Annual Governance Statement'.

Recommendations and Reasons

The Audit and Governance Committee note that:

- Based on work performed during 2021/22 and previous years' audit, the Head of Internal Audit's opinion is of "Reasonable Assurance" on the adequacy and effectiveness of the Authority's internal control framework.

Alternative options considered and rejected

None, as failure to maintain an adequate and effective system of internal audit would contravene the Accounts and Audit Regulations 2015.

Relevance to the Corporate Plan and/or the Plymouth Plan

The internal audit service assists the Council in delivering robust standards of public accountability and probity in the use of public funds and has a role in promoting high standards of service planning,

performance monitoring and review throughout the organisation, together with ensuring compliance with the Council's statutory obligations.

Our work supports delivery of the values and priorities set out in Corporate Plan by ensuring that resources are used wisely, and service areas meet the needs of residents, businesses and communities through the delivery of quality public services.

Implications for the Medium Term Financial Plan and Resource Implications:

Delivery of the audit plan assists the council in delivering value for money services and has helped ensure an effective control environment as the Council continued to respond to the challenges of the Covid-19 pandemic.

Carbon Footprint (Environmental) Implications:

None

Other Implications: e.g. Health and Safety, Risk Management, Child Poverty:

** When considering these proposals members have a responsibility to ensure they give due regard to the Council's duty to promote equality of opportunity, eliminate unlawful discrimination and promote good relations between people who share protected characteristics under the Equalities Act and those who do not.*

The work of the internal audit service is an intrinsic element of the Council's overall corporate governance, risk management and internal control framework.
