

Minute No.	Resolution	Target Date, Officer Responsible and Progress
13 July 2022 Health and Adult Social Care Policy Brief- Minute 6	The committee sought further clarification regarding PCC's intentions to apply for grant funding for 'Women's reproductive wellbeing in the workplace'.	<p>Date: August 2022 Officer: Sarah Gooding (policy and Intelligence) Progress: Complete</p> <p>Having looked back at the announcement, it was dated 13 May and the application window has now closed so it would no longer be relevant to provide further information. Also, the funding was specifically aimed at organisations in the VCS who specialise in women's wellbeing services so PCC would not have been able to submit an application directly but only support a bid from a relevant VCS organisation.</p> <p>The announcement was included in our weekly policy brief back in May and would have been circulated to relevant colleagues at the time although I do not know if any local organisations applied.</p>
