Purpose of Report

The attached report provides an update on the Strategic risk register pertinent to the committee. The register offers additional information including detail on Key Controls and Sources of Assurance and how progress against mitigation will be measured.

Adult Social Care reforms have been highlighted as a new risk. There are a number of reforms that will create financial uncertainty in terms of being able to accurately understand the impact on costs and resources. This amber risk has been scored as 'Likely' to happen and a 'Major risk' to the operation of the council.
