## Purpose of Report

The attached report provides an update on both the Strategic register for the organisation.

## Strategic Risk Register

During this review of the strategic risk register there have been three risks removed and one new risk added, bringing the total strategic risks managed to 20. The new risk relates to the viability of commercial bus operators with patronage not yet back to pre-Covid levels and the ending of Government Bus Recovery Grant in October.

This amber risk has been scored as 'almost certain' to happen and a 'moderate risk' to the operation of the council.

The three risks removed from the strategic register were:

- The Council is unable to fulfil its legal obligations regarding the safety of its citizens and service recipients.
- Staff resilience to causative factors of stress variable resulting in the primary reason for short and long term absences being due to stress / psychological factors; reduced morale, loss of productivity with impact on delivery. (Moved to operational risk)
- Departure from EU single market with The Trade and Cooperation Agreement could further decrease city economic output.

The appended report identifies risks pertinent to the committee.

## Recommendations and Reasons
