

ARMADA WAY TREES PETITION

City Council – 30 January 2023

The petition says:

'Plymouth City Council is regenerating Armada Way and in doing so will be chopping down virtually all the beautiful and well-established trees which make the city such a nice place to be.

If you would rather they change their plans to incorporate a bit more of what we already have rather than bulldozing it flat then get behind our campaign to save the trees! They are more important than a glimpse of a view of the war memorial on the Hoe.

The council say they want more trees, so why not just plant more trees?'

Plymouth City Council's Petition Scheme

Plymouth City Council welcomes petitions and understands that they are one way in which people's concerns can be expressed.

If a petition receives 5,000 signatures it automatically triggers a debate at the next ordinary council meeting. The Armada Way trees petition was received on 6 January 2023 and the council was advised that it contained around 10,000 signatures (more than 5,000 from postcodes within the City Boundaries).

Process for petition debate at council

The petition organiser will be given 5 minutes to present the petition at the meeting.

The relevant Cabinet Member will propose a response from the Council and this will be debated by councillors.
