

QUESTION BY COUNCILLOR**Question submitted by: Councillor Chaz Singh****To Cabinet Member:** Councillor Jonathan Drean**Question:**

Dear Cllr Drean

Can you tell as I have received emails from residents in how they go about in obtaining 20mph streets for the safety of the community?

Response:

Many thanks for your query regarding 20mph restrictions within Plymouth, the team are currently reviewing our Local Speed Limit Policy with the hope to add this Policy to Plymouth City Councils website in near future.

Traffic authorities are asked to keep their speed limits under review with changing circumstances, and consider the introduction of more 20 mph limits and zones on:

- Major streets where they are – or could be – significant numbers of journeys on foot, and/or where pedal cycle movements are an important consideration, and this outweighs the disadvantage of longer journey times for motorised traffic.
- Residential streets in cities, towns and villages, particularly where the streets are being used by people on foot and on bicycles, there is a community support and the characteristics of the street are suitable.

Signed:

Councillor Jonathan Drean
