

MOTION ON NOTICE

Date of Council Meeting: 19 June 2023

Title of Motion:

Armada Way

Motion Narrative and Action Required:

This Council considers the current decision to stop the Armada Way project unacceptable to shoppers, local businesses and potential city centre investors.

Council recognises the need to re-commence this essential project expeditiously in order to revive and renew this part of the city centre (such works to include improved service media and a sustainable urban drainage system).

The City Council resolves to:-

Ask the Leader of the Council and Cabinet Member for Strategic Planning and Infrastructure to:-

1. Bring forward a plan (whether it be implementation of the current Armada Way Project or a comparable alternative) and set a firm timeframe for implementation of the plan.
2. Publish on the Council website an assurance that new surface water drainage infrastructure will be installed, as a matter of urgency, to prevent raw sewage going into the sea.
3. Provide a firm timeframe in respect of point 2 above.
