Plymouth Health and Wellbeing Board Statement of Assurance

There is a requirement for the Health and Wellbeing Board to provide an opinion on the ICS five year forward plan, in particular to provide assurance that the plan takes into account the needs of the population of Plymouth.

A draft statement was provided to members on 23rd May 2023 with a request for response should there be any concerns. No comments were received and so the following statement was provided on the 25th May 2023 by the Chair of the Health and Wellbeing Board.

“Plymouth's HWB has been engaged throughout the process of development of the JFP and has been consulted, with the opportunity to raise questions and highlight potential omissions. The Plymouth HWB endorses the Plan and is assured that it takes account of the current health and wellbeing strategy for Plymouth. The focus on inequalities in access and in outcomes is welcomed, and we look forward to seeing the shift in resources required to deliver on this aim.”
