Purpose of Report

This report provides an update to Cabinet on the ongoing work within the Council to tackle and prevent modern slavery. The Council has made a commitment to tackle modern slavery and publish a modern slavery statement annually.

Recommendations and Reasons

The paper asks Cabinet to:

- Note the progress made on the delivery of the Modern Slavery Statement and the next steps required to further tackle modern slavery.
- Agree the updated Modern Slavery Statement.

Alternative options considered and rejected

The option to do nothing has been rejected as the Council has made a commitment to combat modern slavery within its supply chains. A failure to publish an up-to-date Modern Slavery Statement and take action to prevent modern slavery could lead to the council incurring financial and legal penalties and could cause reputational damage.

Relevance to the Corporate Plan and/or the Plymouth Plan

The Council's Corporate Plan sets out our ambition to be one of Europe's most vibrant waterfront cities, where an outstanding quality of life is enjoyed by everyone. Taking action to eradicate modern slavery either within our own supply chains or within the wider community aligns with our corporate values.

Implications for the Medium Term Financial Plan and Resource Implications:

No financial costs will be incurred by approving the updated modern slavery statement. Any resource requirements will be met from existing staff resources.

Financial Risks

No financial risks are anticipated by approving this paper.

Carbon Footprint (Environmental) Implications:

There are no implications for the Council's Carbon Footprint.

Other Implications: e.g. Health and Safety, Risk Management, Child Poverty:

** When considering these proposals members have a responsibility to ensure they give due regard to the Council's duty to promote equality of opportunity, eliminate unlawful discrimination and promote good relations between people who share protected characteristics under the Equalities Act and those who do not.*

There are no anticipated equality impacts associated with this decision. An equality impact assessment will be published alongside the final paper to demonstrate that the Council has given 'due regard' to equality under its Public Sector Equality Duty.
