2	Decision maker: Annie Gammon, Interin	n Servi	ce Director	Education, Participation and Skills				
3	Report author and contact details: lan	Baker,	School Inv	estment & Organisational Manager				
4a	Decision to be taken:							
	• To approve the Contract Award £2,139,865.00 to Portakabin, for the Modular Units Programme to enable the school estate expansion and condition works to be undertaken.							
4b	Reference number of original executive decision or date of original committee meeting where delegation was made:							
	L31 22/23, published 22 March 2023							
	https://democracy.plymouth.gov.uk/ieDecisionDetails.aspx?ID=4221							
5	Reasons for decision: To award the contract to enable the provision of permanent additional classroom facilities for both mainstream and SEND pupils by way of modular buildings to provide suitable solutions faster and more cost effectively than a traditional build, with a turnkey (fully packaged) solution.							
6	Alternative options considered and rejected:							
	Traditional Design & Build:- Due to time pressures and costs this option was rejected.							
	 Long Term Hire of Temporary Accommodation:- Due to long term hire costs this option was rejected. 							
	 Do Nothing:- This option was rejected as PCC would be unable to fulfil our statutory duty of providing suitable school places for pupils in the city. 							
7	Financial implications and risks:							
	SEND pupils would be unable to be educated within the City and costs approximately £100,000 per pupil/per year. It would also result in the closure of a mainstream schools Early Years Foundation classroom, due to being life expired and no longer suitable for purpose.							
	Plymouth City Council would be unable to fulfil its statutory duty of providing suitable school places for pupils in the city.
