AREA CALCULATIONS
 The areas shown are approximate only and have been measured off preliminary drawings as the likely areas at the current state of design using the stated option from the Code of Measuring Practice 4th edition (RICS/BSVA). These may be affected by future design development and construction tolerances or the result of surveys for existing buildings. Take account of these factors before planning any financial or property development purpose or strategy and seek confirmation of listed areas before decision making.
3RD-PARTY INFORMATION
 This drawing includes information provided by independent surveyors and/or consultants to whom all enquiries shall be made. Studio Agora Architects accept no liability for its content or accuracy.
