<b>Overview:</b>	<p>This report seeks approval to make a Compulsory Purchase Order (CPO) pursuant to section 17 of the Housing Act 1985 in respect of the freehold property known as 1 Holdsworth Street, Plymouth, PL4 6NN. This property has been empty since 2010 when the owner passed away. Officers from the Housing Delivery Team (HDT) have been in contact with the owner's son who is believed to be the beneficiary and due to inherit the estate. Housing Delivery (HDT) officers have offered advice and assistance as well as information about the schemes we offer to assist empty home owners to bring their properties back into use. HDT officers have also encouraged the owner's son to apply for probate, however over 13 years have passed and probate has still not been granted. Despite these offers of help and assistance the owner's has had limited involvement with HDT officers and has not taken the necessary steps to bring the property back into use. The condition of this property is having a detrimental impact on the street and is affecting nearby neighbours resulting in a large number of complaints. This property has been targeted in accordance with the Council's Empty Homes enforcement policy.</p>

**SECTION FOUR: HUMAN RIGHTS IMPLICATIONS**

Human Rights	Implications	Mitigation Actions	Timescale and responsible department
	Any enforcement action taken is carefully considered in line with Article I of the First Protocol to the European Convention on Human Rights.	The use of the Council's compulsory purchase powers should only ever be used as a last resort in circumstances where the public benefits outweigh the human rights of any landowner to own and occupy their property without interference from others. HDT officers have exhausted all available options and believe this is now the last resort to bring the property back into use and resolve the nuisance caused to neighbours.	HDT officers are responsible for delivering this local priority over the Plan for Homes period.
