<p>Overview:</p>	<ol style="list-style-type: none"> 1. The Millfields Trust, a trading social enterprise, was founded in 1999 with the goal of revitalizing Plymouth's Stonehouse community. Its goal is to revitalize Union Street as a civic spine and provide residents in the heart of Stonehouse with chances for employment that will change their lives, re-establishing the city's once-important connection to Devonport. 2. The Trust is a democratic organisation with membership open to anyone over the age of 17. Members elect Directors to the Board of management on an annual basis. 3. This is accomplished through delivering high-quality, reasonably priced office space for renting on flexible terms, as well as a platform for SMEs to grow and thrive. Its facilities are built to accommodate beginning, small, and medium-sized businesses in many industries. New, growing, and existing firms from various industries, including the creative and third sectors and social enterprises, are housed in the business spaces. 4. Plymouth City Council has had a grant funding agreement with the Millfields CED Trust since 2000. This original, 25 year Agreement supported the Trust to establish its Community Economic Development activity alongside the business park assets at Mary Secole Road and Creykes Court. Those assets were transferred through a long lease at the same time. <p>As one of Plymouth City Council's strategic Community Economic Development Trusts, Millfields CED Trust receive support from the Council to improve economic participation and benefit for their community.</p> <p>This grant is for activities that meet the definition of the Subsidies of Public Economic Interest (SPEIs) under the Subsidy Control Act 2022. The Services covered by this grant agreement are intended to positively impact the current working age population and children of the Ham / Keyham / Stoke parts of the City that are the Catchment Area of the Trust.</p>
