Purpose of Report

This report provides Members of the Audit and Governance Committee with a position statement on the audit work carried out since April 2024. The work of Internal Audit delivers objective and relevant assurance and contributes to the effectiveness and efficiency of the governance, risk management and internal control processes.

We liaise closely with management to identify changes in processes and procedures and new areas of expenditure. This risk-based approach can result in some items in the audit plan being replaced with new, higher risk areas to ensure that audit resources remain focussed on the most important areas.

Recommendations and Reasons

I. To note the findings within the report.

Alternative options considered and rejected

None, as failure to maintain an adequate and effective system of internal audit would contravene the Accounts and Audit Regulations 2015.

Relevance to the Corporate Plan and/or the Plymouth Plan

The internal audit service assists the Council in delivering robust standards of public accountability and probity in the use of public funds and has a role in promoting high standards of service planning, performance monitoring and review throughout the organisation, together with ensuring compliance with the Council's statutory obligations.

Our work supports delivery of the values and priorities set out in Corporate Plan by ensuring that resources are used wisely, and service areas meet the needs of residents, businesses and communities through the delivery of quality public services.

Implications for the Medium Term Financial Plan and Resource Implications:

Delivery of the audit plan assists the council in the provision of quality public services which also demonstrate value for money. It has also helped ensure an effective control environment is maintained in these financially challenging times.

Financial Risks

None

Carbon Footprint (Environmental) Implications:

No impacts directly arising from this report.

Other Implications: e.g. Health and Safety, Risk Management, Child Poverty:

* When considering these proposals members have a responsibility to ensure they give due regard to the Council's duty to promote equality of opportunity, eliminate unlawful discrimination and promote good relations between people who share protected characteristics under the Equalities Act and those who do not.

No impacts directly arising from this report. The work of the internal audit service is an intrinsic element of the Council's overall corporate governance, risk management and internal control framework.
