Relevance to the Corporate Plan and/or the Plymouth Plan

The ambition of Plymouth's 'Bright Future' plan is for all our children to live full and happy lives. The plan recognises the importance of the local area partnership working together to ensure that children are supported by a system which works seamlessly to spot difficulties early, responds quickly and effectively, and makes sure that help is there for as long as it is needed. The learning from this paper is being used across the local area partnership to plan and deliver collaborative, evidenced based approaches and support our collective ambition for children.
