Plymouth Bus Service Improvement Plan (BSIP 3) Background Information

Plymouth Bus Service Improvement Plan (BSIP 3)

Differences between BSIP 3 and BSIP 2 and the reason for the changes

The 2024 BSIP is not a bidding document for specific DfT funds.

The emphasis has changed to the BSIP being a delivery plan with the requirement for the BSIP to clearly distinguish between:-

- what was delivered/completed by the end of 2023/24,
- what is programmed for delivery in 2024/25 with the known funding envelope, and
- the ambitions and priorities for future delivery in 2025 and beyond, subject to future funding opportunities.

BSIP 3 follows a prescribed structure
