## Purpose of Report

This report summarises the work carried out during the financial year 2024/25 to date by the Counter Fraud Services Team at Devon Assurance Partnership to support the Council and counter fraudulent threats to the Council's budget and reputation, as well as providing reassurance to the residents of Plymouth that the public purse is being protected appropriately.

## Alternative options considered and rejected

Effective counter fraud processes are an essential element of internal control and as such are an important element of good corporate governance. For this reason, alternative options are not applicable.

## Relevance to the Corporate Plan and/or the Plymouth Plan

Maintaining sound systems of internal control and protecting the public purse ensures that those who legitimately need the support and services of the Council get them and this therefore supports the achievement of corporate and service objectives.

None arising specifically from this report.

## Carbon Footprint (Environmental) Implications:

None arising specifically from this report

## Other Implications: e.g. Health and Safety, Risk Management, Child Poverty:

*\* When considering these proposals members have a responsibility to ensure they give due regard to the Council's duty to promote equality of opportunity, eliminate unlawful discrimination and promote good relations between people who share protected characteristics under the Equalities Act and those who do not.*

The Counter Fraud Services Team specifically support the council's overall governance arrangements.
