

MOTION ON NOTICE

Date of Council Meeting: 25 November 2024

Title of Motion:

Gables Farm Dogs & Cats Home

This Council recognises the important role Gables Farm Dogs & Cats Home plays in rehoming and caring for animals from all over Devon, Cornwall, Somerset, and the Isles of Scilly. The people of Plymouth admire and respect their work providing care for over 1,000 dogs and cats every year.

The announcement of the sale of the 0.3-acre piece of land owned by National Highways at Merafield Road, Plymouth, PL7 sitting adjacent to Gables Farm Dogs & Cats Home has caused concern amongst residents across Plymouth.

This Council commends Gables Farm Dogs & Cats Home on their work and calls on all current and future local stakeholders to support them in their vital work caring for thousands of animals.
