Overview:	<p>The procurement of the Painting, Paint Inspection and Maintenance Support services are a regular occurrence, as would be expected, as the bridge and ferries are bespoke structures, requiring specific professional attention. This ensures that the key road links on the Devon / Cornwall border, crossing the river Tamar, (with the A38 forming part of the Strategic Road Network (SRN) nationally) remain. operationally viable and safe.</p> <p>Significant investment in maintenance to the bridge, ferry infrastructure and operations have continued over recent years to ensure that the organisation can meet its key strategic aims and objectives.
