Lead Officer: Head of Service, Service Director, or Strategic Director.	Isabelle Kolinsky	Signature:		Approval date:	22 May 2025
Overview:	<p>The Equality Act (2010) extended statutory protection across nine ‘protected characteristics’. It recognised new forms of discrimination and introduced the Public Sector Equality Duty (PSED). Those organisations subject to the PSED must, in the exercise of their functions, have due regard to the need to promote equality and specifically:</p> <ul style="list-style-type: none"> eliminate unlawful discrimination, harassment and victimisation and other prohibited conduct; advance equality of opportunity between people who share a protected characteristic and those who do not; and promote good relations between people who share a protected characteristic and those who don’t. <p>The Equality Act states that we must exercise due regard to equality when we make decisions, in a way that is reasonable and proportionate to the decision being taken. To discharge this duty and demonstrate our commitment to promoting equality, we have completed an equality impact assessment (EIA).</p> <p>School term and holiday dates are set out by the local authority for Community and Voluntary controlled (VC) schools and maintained nursery schools. Own admission authority schools may not follow the term dates set by the local authority. However, as in previous years, we have consulted on and publicised term dates and will recommend that all schools in Plymouth adopt them. Both Devon County Council and Cornwall County Council are proposing to take the same approach.</p> <p>Promoting standard school term dates and holiday calendars will help ensure that the holiday dates of parents and children coincide and help safeguard the health, safety and wellbeing of the most vulnerable and disadvantaged children, supporting them to make the most of their learning. Co-ordinating dates with neighbouring authorities will help reduce unauthorised pupil absence and prevent/reduce crime and disorder and anti-social behaviour by ensuring that the holiday dates of parents and children coincide.</p>				

	Coordinating term dates with neighbouring authorities and standardising the length of terms promote planning and learning opportunities; support school staff in improving school performance; reduce stress levels of school staff with children at school in neighbouring authorities.
Decision required:	To approve the proposed school term and holiday dates for 2026-2027.
